HANLEY/ROSEDALE FIRE DEPARTMENT

Donations and the 50/50 Fire Hall lottery are great ways to support the Hanley Rosedale Fire Department. Be sure to check at the Hanley Town Office to see if you are paid up to be eligible to win!

Many registered players will have their weekly eligibility expire at the end of the year. Make sure to come to the Town Office to contribute to 2018 lottery!

Fire Hall lottery winners:

Elton Epp—\$196

Rick/Brenda Tweet—\$36c/o

Sylvia Unrau—\$33

Rod/Darla Holland-\$35c/o = \$71

Terry Sheffield—\$36 c/o = \$69

Sylvia Unrau—\$69 + \$36 = \$105pd

Shirley Grindheim—\$36

\$3.00 sign-up fee

Pay \$2.00 per week to enter the 50/50

You can pay upfront for as many weeks as you wish.

If you miss paying a week and your name is drawn, then there is no winner that week and the money will be carried over in the pot for the next week.

Sign up locations:

Town Office

“Help us purchase new equipment for our firefighters!”

If you are interested in organizing a function to raise money for the new Fire Hall, please don't hesitate to contact the Town Office for more information.

In 2017 the Fire Hall construction saw the in-floor heat pipes and concrete floor completed. As of the end of 2017, \$337,972.73 has been raised and \$325,250.64 spent on the building.

Sources of revenue in 2017 came from cash donations in the amount of \$5,619.22; memorial donations in the amount of \$2307.50; 2017 Ball Drop - \$125; Hanley Legion \$5844.24, Poor Gary's \$500; RBC \$2000; Affinity Credit Union \$2000; Greg's Mobile \$500; Riverbend Co-op \$5000; BBQ \$623; Menchies fundraiser \$276; Aberdeen Agencies \$400; Hanley Seniors Produce and Bake Sale \$845; RM of Rosedale \$50,000; Ag Society \$8000; Quad Rally \$14,258.47; FCC Grant \$25,000.

So far in 2018, revenue has come in from: Char McGregor's calendar sales \$225; Hanley Seniors \$315; Cash donation \$1000; SLGA Grant \$466.35 and in March a very successful Ladies Night was held in the Arena in support of the Fire Hall. \$2898.36 was raised from this event! This event was organized by some of the Town Councillors and it was reported to have been a blast!

Hanley Housing Authority

Hanley Housing Program

The Hanley Housing Authority on behalf of Saskatchewan Housing Corporation, offers the Social Housing Program. This program is designed to ensure that safe, adequate housing is available to those who could not otherwise afford it. Our tenants benefit from a safe place to call home, a community they can enjoy and peace of mind.

General Requirements for Housing

Applicants must meet income and asset limit requirements to be eligible for the Housing Program. All applicants are required to complete an application form and provide verification of income and assets, as requested.

Review Process

Applications are reviewed for eligibility and approved by the Housing Authority Board of Directors. We utilize a point score system that considers adequacy, suitability and affordability when determining the priority of need.

Once approved, units are allocated upon availability on a priority based, point score system.

Additional Information Senior housing rent is based on income – 30% of gross household income, collected via pre-authorized payment.

Units are smoke free – No smoking in the units by tenants or guests. Housing tenants are responsible for obtaining and paying for their own power. Heat, water/sewer are included in the rent.

Any questions related to the Hanley Housing Authority should first be directed to the manager.

All requested income information and previous landlord references must be included or application will not be processed.

Gift card available to qualified referrals.

HANLEY SENIOR CITIZENS INC.

History Books

The Senior's club has family Hanley History books for sale if anyone is new to the community would like one or if anyone local wants to have a book.

Thank You Notes

On February 10th we held our 6th Annual Sno-Pitch Extravaganza at the Hanley Elk's Hall. We began this fundraiser in 2013 in hopes of making a small contribution to the fight against breast cancer. Over the years it has evolved to something so much greater than we ever imagined. This year alone we were able to donate \$17,903.50 to the Saskatoon Cancer Centre, bringing our 6 year total to over \$61,000. We would like to extend a huge thank you to everyone who made this day a success from donating chili and soup, working in the booth, selling tickets, donating prizes, or coming out to play ball for the day. We would not have been able to accomplish this without the overwhelming support from our community.

Madison Prosofsky & Robyn Libke

A Big "Thank You" to my neighbors and friends who have helped me in so many ways these past months. I really appreciate it all. Thanks again! Hedie Harder

RULES RULES RULES!

The Town Office frequently receives the following question: "Why doesn't the Town just go clean up that yard and charge the owner?"

Good question! The answer you would get is that we would be trespassing on private property if we just sent a crew in to clean-up. The Province has provided us with a legal means to proceed with nuisance yards. *The Municipalities Act* provides municipalities with the authority to pass a Nuisance Abatement Bylaw ("the Bylaw").

There are a number of steps involved in declaring a nuisance:

- 1) after the complaint is received, an inspection including pictures is done. Inspections under the bylaw shall be carried out in accordance with section 362 of *The Municipalities Act*;
- 2) the pictures and complaint are received by Council at a regularly scheduled meeting;
- 3) the Council for the Town of Hanley generally likes to give the owner the benefit of the doubt and sends a letter saying they received a complaint and ask the owner clean up the mess. Sometimes this works.
- 4) at the next regularly scheduled meeting the complaint is reviewed to see if the nuisance has been addressed. If not, a resolution is passed ordering the owner to remedy the contravention of a specific or specifics sections of the Bylaw. Orders given under the Town's bylaw shall comply with section 364 of *The Municipalities Act*. This order must be served in accordance with section 390(1)(a),(b) or (c) of *The Municipalities Act*. The owner must be provided with an appeal period which would be reviewed at the next regularly scheduled meeting of Council;
- 5) if no appeal is received and depending on the type of nuisance, the Council will try to hire someone to address the nuisance. This is where it gets very difficult. If the nuisance is just grass cutting or hedge trimming, the Town may be able to hire someone local;
- 6) if an appeal is received, the Council must work with the owner to try to resolve the nuisance. Extensions are usually provided as long as the owner is making an attempt to remedy the contravention;
- 7) if the Council has to hire someone to remedy the contravention, the amounts paid to the contractor are added to the tax roll of the owner of the property.

There are times when Council receives a complaint that may be open to interpretation. Is it really a nuisance or is it a complainant that holds a different standard? This becomes a more detailed process as the Councillors then would inspect the property. Some nuisances are an easy decision when they are a blatant contravention of the Bylaw

Nuisance declarations are never an easy call for a Council to make. As you see from the steps above, even though the Council has the authority to adopt a nuisance abatement bylaw, they are still legislated by *The Municipalities Act* in how they proceed. The complete bylaw, with an amendment, can be found on the Town of Hanley website: www.townofhanley.ca under the Administration tab and "Bylaws and Policy".

Hanley Senior Activities Past & Upcoming

The Senior Curling for the season is quickly 'drawing' to an end for this winter. What the group lacked in numbers they make up for with enthusiasm and fun!

Most times there are 6 - 7 attendees to make a couple of teams to compete. Recruitment is the name of the game to entice folks to join in from around the rink ,as was the case when Wes Beaumont was cajoled into skipping for a team one Monday morning to make up 2 teams. He showed that his expertise is still present which must have made him a wonderful curler when he regularly participated in the game.

The teams encourage each other all the time and celebrated the good shots no matter which team make them. Sometimes a score is kept and sometime not, as everyone is a winner by engaging in exercise, fresh air and friendship.

Think about coming out to join the Senior Curling next season, so you can be a winner too!

Submitted by
Donna Wolfe

Wes Beaumont skipping a curling team shortly after his 90th birthday 2018.

Arena Update

We would like to thank the late Wes English, family, and estate for the donation to our skating rink.

We appreciate the support and the community thanks you.

Wes was an active member of the community and will be missed.

For rink rental information contact Trish Anderson 227-0066

Due to rentals, the public skating schedule can change. Please check posters in town or our Facebook page for updates.

We are currently doing a fundraiser which you buy tickets on a goat named Eli. You can put your own name on the ticket or another persons if you do not want a goat and the winner will be presented at our Calcutta on April 7th!

TIDBITS

Did you know, there are at least 3 defibrillators in the community. These being situated in the Community Center, Arena and with the First Responders.

NOTES FROM THE TOWN OFFICE**At our February meeting:**

The office staff had training in a new handheld water meter reader. This equipment was paid for by Gas Tax funding. It should prove to be more efficient but a reading hasn't been conducted yet so time will tell!

Some RM and Town Councillors met to discuss the possibilities of creating a Rural Crime Watch committee. The Town Council support this project so Councillors Andrea Townsend, Giselle Hanson and Melissa Maddocks will pursue this project.

A bylaw was adopted that will require anyone disposing of construction waste to "rent" a 6-yard construction container that the Town can provide for smaller projects or obtain a larger construction container from a waste contractor. The 6-yard containers have been available for quite some time now but the charges will be increased to discourage people keeping on their property and not using them. Along with the \$50 delivery/removal charge, there is now a weekly charge of \$50 and/or monthly charge of \$200 for long-term usage of containers. These charges are above the fee for emptying the containers as invoiced by Loraas Disposal and payable to the Town of Hanley.

There was some confusion as to when utility bills were due so, a bylaw was passed to provide for a 2% penalty per month to be charged to all water and sewer rates and charges unpaid the proceeding month-end after the billing date, and each month thereafter that they remain unpaid. This means that if your utility bill isn't paid within 30 days (or the end of the next month after they are invoiced), you will be charged 2%. This is changed from a 90-day grace period. For those people that pay monthly after the bills go out must keep in mind that the amount not paid will now be subject to the 2% penalty. The Town Office is advising that if you prefer paying monthly to pay ahead of the bill being generated e.g. pay in January, February and March so your bill is \$0.00 when it is generated the end of March. Remember that we have had a small increase to the water so a monthly payment to water/sewer/waste/Infrastructure fee would now be \$131.50.

A first reading of a civic addressing bylaw was given at this meeting. There will be information going out in the next utility bills and in this issue of the Hermes. Please contact the Town Office if you have comments and concerns for this project.

On review of insurance premiums, the Council noted that some organizations in Town were paying their share of insurance premiums but the Arena was not. A letter was to be sent to the Arena explaining this inequity with the explanation that the Town would also be requesting that the surrounding RM's step up to assist with operating costs of the recreational facilities namely the arena and curling club.

The CAO's holidays were approved for Feb. 26 to Mar. 7/18 with the Office being closed on Mar. 2.

Thankfully in 2017 we didn't have as many water breaks as what was budgeted for so a surplus of \$56,500 was transferred to the utility reserve to be used for future watermain replacement projects. According to our Asset Replacement Forecast, we would require \$3,350,003 over the next 20 years to replace water mains (including hydrants and main valves). The Council takes annual budgeting into consideration to upgrade as they can.

A congratulatory retirement letter on behalf of Corporal David Milligan was forwarded to 17 Wing Winnipeg, Detachment Dundurn. Thank you for your years of service David!

(cont'd next page)

The Administrator reported on having attending a Solid Waste Advisory Team (SWAT) meeting in Regina on Jan. 16. The group met with Minister Dustin Duncan, DM Lin Gallagher, ADM Wes Kotyk and Executive Assistant to the DM Stephanie Walton. The Minister feels that this group is doing some good work in education of municipalities and relaying comments and concerns to the Ministry.

The Administrator attended the 2018 SUMA Convention in Regina. There was a lot of talk about Cannabis legalization along with all the other education sessions one of which included a presentation by a couple members of the SWAT team.

The Administrator encouraged Council to start thinking of the 2018 budget. Over the next couple months, deliberations will be taking place with approval hopefully in April or May.

Vantage CPA's from North Battleford came to the Town and RM Offices on Feb. 21 to conduct the 2017 audit.

Because of the extensive and successful work on the Asset Management Plan, your Administrator was invited, along with the WaterWolf Secretary and Urban Systems Consultants, to speak at a Conference in Ottawa for the Federation of Canadian Municipalities! Unfortunately, your Admin had booked her winter vacation during the period that she could have been going to Ottawa so was replaced by the Administrators from the RM of Loreburn and the Village of Elbow.

At our March meeting:

Delegate Cindy Prosofsky attended the meeting to talk to Council about 2018 High School Grad.

Employee bonds were available to present to Council.

Mayor Marv Gerbrandt and Deputy Mayor Richard McGregor have volunteered to review and make recommendations to a draft safety plan. They will be working with Foreman Ben Collins over the next few months.

Utility arrears were discussed again. Council want to impress on users to pay their utility bills on time.

A subdivision application was reviewed and approval recommended to Community Planning with comments.

A Town of Hanley youth sized bunnyhug was donated to the Prairie Fire Cheerleading and the PFC Parent Committee. The team of twenty girls aged 14 - 18 will be attending a National Championship. We have a local girl that is on this team! Congratulations on your success so far and good luck at Nationals!

The Mayor and Administrator signed the statutory declaration, Clearing the Path Incremental Maintenance for 2018.

Deputy Mayor Richard McGregor reported on the WaterWolf District Planning Commission meetings and the upcoming members meeting to be held April 5. The Town has seen many benefits to being a member of WaterWolf over the years including but not limited to: an Official Community Plan and Zoning Bylaw, Building Bylaw workshops, Zoning workshops, the Asset Management Plan and Replacement Forecast, Development Appeals Boards, a Board of Revision, and Administrator meetings where Admins from the member area can network and learn from each other.

ANIMAL CONTROL

There has been an awful lot of **doggie doo** on the sidewalks and public areas this winter. Please pick up after your pets!

The Town Office has been receiving a lot of complaints of dogs out of control of their owners. Are you one of those owners? Complaints should be made to the Animal Control Officer, Jennifer East @ 306-544-2423. Leave a message and she'll get back to you.

Don't forget to purchase your animal licenses for 2018! They were due Feb. 1. You should have received a warning by now and will soon be subject to a second notice which includes a fine of \$50 per animal.

Please be a **responsible** pet owner and keep your pets licensed, under control and cleaned up after!

CIVIC ADDRESS MAP

POSSIBLE CHANGES TO CIVIC ADDRESSES

The Town Council is considering making changes to the civic addressing for some of the streets in Town. These changes have been prompted by recent updates to the Provincial Civic Address Registry (**PCAR**) and webinars hosted by SaskPA911 which is the central location that dispatches emergency services. The map will show only the civic address and **NO PERSONAL INFORMATION** of the person(s) that own(s) the property.

Changes that will be made:

- Changing some **Streets** to **Avenues** – Walter Scott, Canada, Garfield, Lincoln and Grant. Normally streets go one way and avenues go the intersecting way. These roadways are already registered in Information Services Corporation (**ISC**) as “Avenues” but the Town created a bylaw in 1984 calling them “Streets”. This can be confusing so this change is recommended for emergency services to find you easier.
- The Town Council named the most westerly north-south grid of the Industrial Park Duncan Road. This has not yet been registered with the Department of Highways or ISC. Doing an entire new bylaw, this Road will be registered.

Changes that are being considered are:

- Walter Scott and Canada are the same street. Do you think the Council should just go with one name; either Walter Scott Avenue or Canada Avenue? Or would you like that street to continue to have two names except for the change from Street to Avenue? The Council is considering using Walter Scott Ave. as there will be fewer people affected but also feel it is too confusing to have 2 names. Canada Ct. could remain the same.
- Does the front of your house face one street but have an address on the intersecting street? Please contact the Town Office with a suggested change.

In the future, PCAR is hoping to have this information on-line for other services such as SaskPower, SaskEnergy, SaskTel, etc.

The Council has completed a first reading of the bylaw and would like input from the community as to any recommendations that they may consider for inaccuracies. The map is hanging in the Town Office for you to peruse. At this point, we do not have an electronic version. Once the bylaw has been adopted, and as time allows over the summer, street signs will be changed.

If you have any questions about this bylaw, please contact the Town Office 306-544-2223 or townoffice@townofhanley.ca

OPEN HOUSE

Wednesday, April 4, 2018

2:00 pm – 4:00 pm

Coffee and dessert buffet

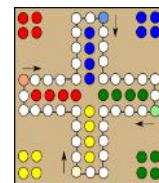

Welcome to all who are 55 plus to
Hanley Senior Citizens' Centre

(down the hall from the Town Office in the Centennial Building).
