SCHEDULE "A"
TO BYLAW NO. 1-2021

3 DE

This memorandum of agreement is entered into between Dundurn Rural Water Utility, the Town of Dundurn, the Town of Hanley, the Resort Village of Shields and the Resort Village of Thode in the Province of Saskatchewan.

This agreement is entered into under the authority of the Councils of the Town of Hanley, Town of Dundurn, Resort Village of Shields, Resort Village of Thode and the Dundurn Rural Water Utility.

1. Each of the parties owns and maintains equipment for the purpose of water sampling. Each of the parties also retains personnel who are trained to complete any required water sampling. Each party will use their own equipment.
2. In the event of an emergency, each of the parties may need the assistance of the other party to complete daily water sampling.
3. Each of the parties has the necessary equipment and personnel to enable it to provide such service to the other party in the event of such an emergency.
4. The geographical boundaries of each party are located in such a manner as to enable each party to render mutual aid service to the other. Each party will coordinate training in their facilities.

The parties, to carry out the purposes and functions described above and in consideration of the benefits to be received by each of the parties, agree as follows:

1. **Request for Assistance.** The Maintenance Supervisor of the water department or the officer in charge is authorized to request assistance from the other party when confronted with an emergency situation at which the requesting party has need for equipment or personnel in excess of that available at the requesting party's water department.
2. **Response to Request.** Upon receipt of such a request, the officer of the party receiving the request shall immediately take the following action:
 - A. Determine if the responding party has personnel available to respond to the requesting party and determine if personnel is available.
 - B. Determine what available equipment and what available personnel should be dispatched in accordance with the operating plans and procedures established by the parties.
 - C. In the event the needed equipment and personnel are available, to dispatch such equipment and personnel to the designated water plant or pump house.
 - D. In the event the needed equipment and personnel are not available, to immediately advise the requesting party of such fact.
3. **Liability.**

Each party agrees to assume responsibility for all liabilities that occur or arise in any way out of the performance of this agreement by its personnel only and to save and hold the other party, its employees, and officials, harmless from all costs, expenses, losses, and damages, including cost of defense, incurred because of any acts or omissions of the party's employees relating to the performance of this agreement.

4. **Insurance.**

Each party agrees to maintain adequate insurance coverage for its own equipment, personnel, and public liability.

5. **Compensation.**

Each party agrees that compensation shall be based on a minimum of one hourly charge or actual time plus mileage

6. **Non-Exclusive Agreement.**

The parties to this agreement shall not be precluded from entering into similar agreements or first response agreements with other municipal corporations.

7. **Termination.**

This agreement may be terminated by any party giving to the other party a thirty (30) day notice of termination in writing.

8. **Effective Date:**

This bylaw becomes effective when all member municipalities have passed it by bylaw of council. This agreement may be signed in counterparts and all shall be deemed one original instrument.

IN WITNESS WHEREOF, the Parties hereby have caused their respective corporate seals to be affixed hereto attested thereto by their proper officers in that behalf by:
