Taryn Suttie - Shot Put attending IAAF World Championships -I wish I had a better update . I felt flat out there last night, struggled through the circle a bit and am quite disappointed in my performance and distance. Circumstances weren't ideal as I spent the days leading up to competition in quarantine, fighting off the Norwalk virus that has been floating around the team hotel. Regardless I was still hoping for a better result, but it just wasn't there. The crowd and atmosphere however, were AMAZING! Thank You London! That, I will never forget.

TOWN OF HANLEY

Box 270
Hanley, SK S0G 2E0

HANLEY PUBLIC LIBRARY

(A Division of the Wheatland Regional Library)

It has been a busy summer so far at the Hanley Public Library!

The Summer Reading Program is in full swing, with many local kids reading up a storm! As they read, the kids are able to earn cool prizes and have their name put in a **draw for the Grand Prize of a Chapters Gift Card** at the end of August.

LEGO Club ran for the month of July and was very popular for many local kids! As a result, the Library hosted a Lemonade Stand Fundraiser to raise funds to purchase LEGO to offer the Club on a permanent basis. With the generous donations of our community, the Fundraiser was a huge success and the Library now has enough

LEGO to run its own Club!

Starting September 7th, LEGO Club will run every Thursday from 3:30-5:30pm for ages 5+.

On behalf of the Hanley Library and its Board Members, we would like to send out a huge **“Thank You!”** to the following local businesses and people who have helped this summer:

Trailbreak Services, Brightwater Insurance, Royal Bank of Canada: Hanley – Summer Reading Program Sponsorship

Meagan Rhinehart, Noemi, Rebecca, David and Lukas – LEGO Lemonade Stand Fundraiser

Edna Schmidt, Shannon Soshisky, Montana & Constantine Carpenter – LEGO Donations

Thank You!
😊

The 2016-17 Hanley Preschool Board would like to sincerely thank the Community Intiatives Fund for helping offset some of last year's expenses.

The Community Initiatives Fund invests in the quality of life of Saskatchewan residents by offering grants for community projects that help support community development, inclusion, leadership and vitality.

Hanley Housing Authority

Hanley Housing Program

The Hanley Housing Authority on behalf of Saskatchewan Housing Corporation, offers the Social Housing Program. This program is designed to ensure that safe, adequate housing is available to those who could not otherwise afford it. Our tenants benefit from a safe place to call home, a community they can enjoy and peace of mind.

General Requirements for Housing

Applicants must meet income and asset limit requirements to be eligible for the Housing Program. All applicants are required to complete an application form and provide verification of income and assets, as requested.

Review Process

Applications are reviewed for eligibility and approved by the Housing Authority Board of Directors. We utilize a point score system that considers adequacy, suitability and affordability when determining the priority of need.

Once approved, units are allocated upon availability on a priority based, point score system.

Additional Information Senior housing rent is based on income – 30% of gross household income, collected via pre-authorized payment.

Units are smoke free – No smoking in the units by tenants or guests. Housing tenants are responsible for obtaining and paying for their own power. Heat, water/sewer are included in the rent.

Any questions related to the Hanley Housing Authority should first be directed to the manager.

All requested income information and previous landlord references must be included or application will not be processed.

Available

1 bedroom units with 4 appliances (fridge, stove, washer, dryer)

Contact Manager at 306-713-4545

Gift card available to qualified referrals.

TOWN TIDBITS

- Call the Town Office (544-2223) for pre-booking campsites. There is a non-refundable deposit of 10% for advance bookings of 3 or more nights.
- The Town Office would like to remind rate payers when paying taxes or utilities to apply payments to the correct account number when doing online banking. The report we receive specifically indicates taxes or utilities so we apply the payment according to what the report says.
- Residents are seeing some messy yards and hedges over sidewalks. Some like to keep their yards tidy while others have not taken pride in their yards front and back. Hedges should be kept trimmed back from sidewalks so people can use them a hedge is a part of your yard so please keep it tidy.

NOTES FROM THE TOWN OFFICE

At our June Meeting:

Promotional Town of Hanley bunnyhugs were donated to the Hanley Golf Club for their Ryder Cup Tournament and the Hanley Ag Society for the Ag Fair. Any surplus realized from the sale of the bunnyhugs will be transferred to the Hanley Fire Hall fund. Bunnyhugs are available for sale at the Town Office. Show off your Town and also help with the construction of the new Fire Hall!

The trailer licensing bylaw was amended to reflect any changes to the mill rates. This bylaw is in place for any temporary construction trailers.

The Cemetery Bylaw was amended on recommendation of the Cemetery Committee: "A ground level marker shall be placed over sites of cremains burial to clearly indicate site". This type of marker helps in maintenance of grass cutting over plots and clearly mark the site of cremains within the plot. This does not include headstones.

The two nuisance declarations were reviewed. One was to be deferred to the Saskatoon Public Health Region, the other was to inform property owners that improvements had been made but to continue those improvements.

Utility arrears were added to the tax roll for a property.

Letters of reminder were sent to property owners that have hedges overhanging the sidewalks to cut them back a distance of one foot.

Kim Bursaw's resignation of Clerk was accepted and the Human Resources Committee recommended offering the position to Charlene McClean. Charlene has since accepted the offer and you will see her working hard at the day-to-day duties of the Town Office.

A request was approved to contract Thal's Earthworks for a private water and sewer installation for a new house. We are excited still seeing new houses being constructed bringing young couples to the community!

At our July meeting: A long-time firefighter from Tisdale (and previously other jurisdictions) attended the meeting after stopping in Town one day to see the "new" truck that the RM purchased a couple years ago that was retired from the City of Saskatoon. He had also toured the old Fire Hall and made a donation to the new Fire Hall building. He gave very enthusiastic congratulations to the Town for taking on such a big project as the new Fire Hall. He recognized that the facility could also be used regionally for training or emergency measures operations.

The Council reviewed a request of reimbursement from Agvantage Development Corp. As construction began prior to approval of the Engineering Specifications Plan, the request was denied.

Administrator holidays were approved for July 18 to 24th. The Administrator determined that she couldn't leave the office for July 18th so holidays were taken July 19th to 24th.

The Emergency Plan was officially adopted. This plan was completed and has seen continuous updates and amendments as the Emergency Measures Coordinator has researched different aspects. This plan is being recognized as a living document so will see ongoing amendments.

The Hanley Golf Club requested that all lots in Block 9 be grouped as one parcel so the Council will request the Saskatchewan Assessment Management Agency to do so for 2018.

The Cemetery Committee presented a quote for gate repairs that the Council approved for payment.

Pictured is: Greg Sarvis, CEO, Riverbend Co-op; Les Kroeger, Fire Chief; Richard McGregor, Deputy Mayor; Gary Hanson, Riverbend Co-op Board Member. Thanks Riverbend Co-op!

We would like to thank everyone that came out and supported the fair this year as well as a huge thanks to all of our volunteers! We would also like to thank everyone who helped construct the new BBQ shelter in memory of Dale Chasmar!

REMINDER

History Books

The club has family Hanley History books for sale if anyone is new to the community would like one or if anyone local wants to have a book.

In a fire seconds count. There's no time to figure out how to escape AFTER a fire starts. That's why it is so important that everyone has working smoke alarms in their home and that they practice a home fire escape plan with everyone in their household BEFORE there is a fire. The National Fire Protection Association (NFPA) has officially announced "***EVERY SECOND COUNTS - PLAN 2 WAYS OUT!***" as the theme for Fire Prevention Week 2017 being held October 8-14.

To Whom It May Concern:

The Hanley Curling Club held their Annual General Meeting on Thursday April 27th. Some major issues were needing to be addressed regarding the future of the curling club. There were a few people present to represent organizations outside of the curling club (golf club and artificial ice project) but there were no curling club members in attendance aside from the 3 executive members and caretaker.

The general discussion was focused around the feasibility of opening the curling rink for another season as well as the financial situation. The consensus of the group was that with a bit of effort and fundraising and some budget adjustments there would be sufficient funds to operate for another season. Unfortunately, the biggest issue still remains the support from curling club members. With only 1 member remaining on the executive it has been decided that the curling club will be closing its doors for the 2017 season. If there is a willingness from anyone to come forward before next season with any ideas or wanting to join the executive, there would be a possibility of the curling club being able to remain open. Any discussion can be forwarded to Christine Catton, Dawn McPhee or Christina Boobyer.

Thank you

Hanley Curling Club Executive
