HANLEY CENTENNIAL COMMUNITY CENTRE

Book now for your event to make sure you get the date you want!

Bookings will be taken at the Hanley Town Office at (306) 544-2223

Or email at townoffice@townofhanley.ca

The Board has been getting some extra maintenance done. The floors have all been cleaned and waxed by Castle Flooring and we are getting a quote from a local painter to do the main hall. If we have the funds, we will continue with the foyer and beyond. Our Caretaker, Marcus Bain has painted the bathrooms and will continue down the office hallway. We would like to get the signage out front changed but will see how the funds are doing after painting.

A big “Thank You” to Stefan and Holly Klym at **CANADIAN DIESEL POWER TRUCKS INC.** for supporting local youth in agriculture.

The support of your business at the Junior Ag Showcase steer sale

Is greatly appreciated!

Thanks for purchasing my steer,
Waylon Blacklock

Hanley Housing Authority

Hanley Housing Program

The Hanley Housing Authority on behalf of Saskatchewan Housing Corporation, offers the Social Housing Program. This program is designed to ensure that safe, adequate housing is available to those who could not otherwise afford it. Our tenants benefit from a safe place to call home, a community they can enjoy and peace of mind.

General Requirements for Housing

Applicants must meet income and asset limit requirements to be eligible for the Housing Program. All applicants are required to complete an application form and provide verification of income and assets, as requested.

Review Process

Applications are reviewed for eligibility and approved by the Housing Authority Board of Directors. We utilize a point score system that considers adequacy, suitability and affordability when determining the priority of need.

Once approved, units are allocated upon availability on a priority based, point score system.

Additional Information Senior housing rent is based on income – 30% of gross household income, collected via pre-authorized payment.

Units are smoke free – No smoking in the units by tenants or guests. Housing tenants are responsible for obtaining and paying for their own power. Heat, water/sewer are included in the rent.

Any questions related to the Hanley Housing Authority should first be directed to the manager.

All requested income information and previous landlord references must be included or application will not be processed.

Gift card available to qualified referrals.

HANLEY SENIOR CITIZENS INC.

WEEKLY ACTIVITIES

SATURDAY	7:00 Marbles

History Books

The Senior's club has family Hanley History books for sale if anyone is new to the community would like one or if anyone local wants to have a book.

HANLEY/ROSEDALE FIRE DEPARTMENT

Donations and the 50/50 Fire Hall lottery are great ways to support the Hanley Rosedale Fire Department. Be sure to check at the Hanley Town Office to see if you are paid up to be eligible to win!!

Fire Hall lottery winners:

Harold Dyck- \$43 c/o \$86	Darice Carlson- \$46Pd
Marg Peters- \$42-Pd\$128	Carol Prosofsky- \$46 c/o
Les Kroeger- \$44 c/o	Julie Bessey-\$45- \$91Pd
Heddie Harder- \$45- Pd\$89	Don & Deb Suttie- \$43Pd
Julie Bessey- \$46Pd	Gene Gogol- \$44Pd

If you are interested in organizing a function to raise money for the new Fire Hall, please don't hesitate to contact the Town Office for more information.

Do you see a job that needs to be done in or around the new Fire Hall? For example: cleaning up around the building; landscaping, etc. Grab a tool or a door knob & fix what you see needs to be fixed; clean up what you see can be cleaned up (there's a garbage container on hand). The more volunteers that will step up for any job will help save money on the overall project. If you've done something on or around the building, pop in to the Town Office and let us know so we can stroke it off the list that we'd otherwise have to pay someone for. THANKS!!

We have raised more funds and received some generous donations so Vern Harder has fixed the siding, fascia and will be doing doors then moving inside to frame the interior walls.

Thank you to the Library Lemonade stand kids for raising \$162 towards the Fire Hall project

ANIMAL CONTROL

Our Animal Control Officer is Suzanne Coghill. She can be contacted at 306-713-2871 for concerns in regards to pets.

Please be a **responsible** pet owner and keep your pets licensed, under control and cleaned up after!

The Fairgrounds is NOT a designated spot to let your pets poop! You may let them be off-leash within the gymkhana area but the rest of the grounds are used for many activities that involve people walking around. It's pretty nasty if they are walking in the poo you let your pet leave behind. We are hosting Provincial Baseball at the end of July and the committee has noticed an extreme amount of dog leavings and observed dogs within the BBQ shack. Please remember to be responsible and pick up after your pets!

COMMUNITY GARDEN PRODUCE, BAKING AND PRESERVES SALE

Saturday, August 18

Sale - 2:00 pm to 4:00 pm

Donation drop off – 10:00 am to 12 noon

At HANLEY SENIORS CENTRE

TIDBITS

1) The speed for the one mile of the 764 Grid under the jurisdiction of the Town (directly south of the Industrial Park) has been changed to 60 km/hr for ALL vehicles. There is a lot of dust generated from the increased truck traffic so please, stay safe out there!

2) The Town has to keep track of all recycling and garbage carts at each address by the number printed on the carts. Please **DO NOT SWAP CARTS WITH YOUR NEIGHBOURS!** The Town sends in a report once a month to Loraas with each cart listed at a specific address. If you have a crack in your cart due to normal wear and tear, there is no charge from Loraas and the Town will replace your broken cart and keep track of the number that is provided to you. If there is damage willfully done to a cart, there will be a replacement charge.

Spray Park & Campground:

There has been increasing damage occurring at the spray park, washroom and playground. **Parents** please watch your children and teach them to be responsible citizens! If the damage continues, the Town will be forced to close the facility and that is sad for the rest of the community to lose the space due to a couple errant kids.

The Rec Board and the Town are looking for someone to assist in raising funds for the Spray Park and Campground! The expenses are costing the Town a lot of money and they are in danger of closing. We are losing money every year and could sure use help with fundraising.

RULES RULES RULES

Rules are generally created through past history. Rule makers study what has worked to ensure equity and fairness for all residents. Sometimes it doesn't appear to be fair and equitable and inevitably not everyone is going to like the rules. Rules can be in the form of policy, bylaw or law. Saskatchewan municipalities can create policies or bylaws laws but provincial legislation supersedes meaning that municipalities can't make a "rule" that goes against what the province legislates.

At the beginning of each year the Town administration presents reports to your council for them to review the equity of policies and bylaws already in place or create new ones to ensure they are being fair and equitable. One report provided to Town council is the financial situation at the transfer station. In 2017 there was a deficit of \$17,000. This deficit is paid for by approximately 5% of your property taxes. The transfer station is a joint use facility with the RM of Rosedale residents with 0% of Rosedale resident taxes providing funding towards the operations of the facility. The Town council views this as inequitable for the town residents so they considered how to make the use of the transfer station fairer for all users. They decided to start with increasing usage rates to RM Residents to try to base the facility on a user pay system. Currently all Town residents that use or don't use the transfer station are paying for it (both in town taxes and in user pay).

The Town council will review the financial state of the transfer station again in the new year to see how the increased Rosedale rates reflect on the bottom line.

If there are any questions or concerns about this amended Town bylaw, residents of each municipality are encouraged to speak to their respective councils (RM residents speak to the RM Council; Town residents speak to your Town Council).

NOTES FROM THE TOWN OFFICE**At our May Meeting:**

The Spring Lagoon Discharge Report was presented and accepted.

Water pipeline easement agreements were forwarded to Industrial Park partners.

An off-street parking requirement agreement was drafted and forwarded to the property owners at Lots 13 & 26, Block 3, Plan C1407 for signatures.

The Asset Management Policy was adopted as presented and the Asset Management forecast spreadsheet was amended to reflect: that Railway St be changed to gravel replacement cost from 20 year life to 100 year life; remove office furniture (we won't have to replace the furniture); remove misc. firefighting equipment (this was very broad and if anything needs to be replaced we can budget for specific items); remove 1991 rescue van. Making these amendments infrastructure deficit for 2018 changes from \$5,330,063 to \$918,097!

Garrett Bursaw was hired as our summer student. BVH Consulting was contracted for Garrett's powered mobile equipment training.

Properties at 316 Washington Ave., 103 First Ave. and 103 Grant St. were declared nuisances. Please keep your property tidy so the Town doesn't need to inspect/review/declare/review/enforce the property.

We entered into agreement with Federated Co-op in regards to the use of their unmetered hydrants.

Gas tax funding was reviewed and the Administrator was instructed to apply for a Phase 3 Sidewalk Replacement Project.

The Council entered into a contract with Suzanne Coghill as Animal Control Officer to provide documentation to the Hanley Housing Authority as assurance of liability coverage for Suzanne in her duties.

Utility arrears were added to tax rolls for certain properties. A subdivision application was recommended for approval.

The Council decided they had no objection to daily, including Sunday, opening of O'Hanley's Den understanding that minors are allowed in the restaurant for meals provided they are accompanied by a parent or guardian.

A Bunnyhug was donated to the Ag Society for the Fair.

The 2018 budget was adopted with the Minimum tax being increased for all properties and the mill rate factor for commercial properties increased from 1.22 to 1.28. For the full budget, please come to the Town Office. The discussion began in regards to the Transfer Station.

The Administrator reported on having attended the following:

SAMA Admin Training Apr. 10 – in regards to the 2017 revaluation; annual maintenance, preparation for the 2021 revaluation; data collection improvements; online Change of Ownerships, Sales Verifications and the status of maintenance and GIS mapping.
DRWU Policy Committee meeting Apr. 11 – continue to work on Policy Manual

Asset Management workshop Apr. 12 – this is where the idea came to embrace the AM plan to reflect more of the Town's future needs and financial expectations

Munisoft Refresher Apr. 17 – Munisoft is our software provider and the refreshers are a great place to learn extra tips and tricks
DRWU regular meeting May 2.

At our June Meeting:

The Transfer Station Inspection Report was reviewed to note a couple non-compliant items that will be addressed.

The Council provided a one-time donation of \$100 to the Lake Diefenbaker Task Force against Zebra Mussels.

The Bylaw to decrease the speed for ALL vehicles on the 764 Grid was adopted. Signage will be ordered and erected.

The Council did a first reading for a bylaw to change the fees at the transfer station.

The Nuisance properties were reviewed showing some improvements to the properties and another nuisance was declared at 200 Canada St.

Gas Tax funding was reviewed again and an Infrastructure Investment Plan for the "Asset Management Group Learning Initiatives – WaterWolf Communities" to include GIS mapping, implementation workshops and Asset Field Data collection in the amount of \$5,058 is to be submitted.

It was also resolved to direct the Administrator to apply for a grant opportunity from the Federation of Canadian Municipalities' Municipal Asset Management Program for "WaterWolf Asset Management – Group Learning Initiatives" for digitizing asset information into a GIS format & collect field data and the AM plan implementation workshops.

Bunnyhugs were donated to the Hanley Golf Association for the Ryder Cup fundraiser.

It was approved for Office Assistant, Charlene McClean to be registered to attend the fall Munisoft refresher in Regina on Oct. 17.

The 2017 Financial Statements were reviewed and accepted.

The second and third reading of the Civic Addressing bylaw was completed. The maps will now be required to be submitted to the Ministry of Highways and Information Services Corp prior to moving to the third phase of the Emergency Civic Address Registry. The signs have been ordered (and at the time of this publication, have been received) for the change of Street to Avenue.

The Foreman reported that the hydroguard has been commissioned in the Industrial Park and has been programmed for weekly flushing.

The Town was asked to consider speed bumps on Lincoln St. The Administrator was instructed to get quotes on costs.

The Administrator reported having attending the following:

- EMO Team meeting May 15 with Cal from the Fire Commissioner's Office. Attendees included representatives from the RCMP, the Town of Dundurn, the EMO for Dundurn, and the RM Rosedale.
- FCM Plenary teleconference May 22 at noon – the panel met each other over the phone and discussed what type of answers would be pertinent for the session.
- May 24 there was another WaterWolf group meeting to fill out the FCM application for GIS mapping.
- Fire Board meeting May 29 – this Board is made up of 3 each of RM and Town Councillors and the RM and Town Administrators.
- May 30 - regular meeting for the DRWU Board.
- FCM Conference in Halifax June 2 – your Administrator was very excited to have been invited to the all expense paid conference in Halifax to sit on the plenary panel for rural discussion representing the WaterWolf Planning District. The session was cut short due to time constraints of the conference but was an amazing learning experience and a great honour to be invited!
- DRWU Finance Committee meeting June 4 – working on investments and funding for a new office/shop building.
- Annual UMAAS Conference June 6 – 8 – this is a great networking and educational conference of only urban municipal Administrators.

At our July meeting:

Three Councillors were absent from this meeting while on summer holidays.

During the compliance reports for the water plant, wastewater works and lagoon, it was noted that the lift station should probably have all the piping replaced. This raised a question as to whether the Council should be looking at constructing a new lift station or repairing the existing.

Councillor Richard McGregor and Foreman Ben Collins purchased a new mower on a trip to Saskatoon. This mower will meet better safety standards and will hopefully be more efficient than the 6 year-old mower that had been servicing the Town's needs.

A new quote was received for cleaning the reservoir by a company that will also be cleaning Kenaston's water reservoir. While they are in the area, it should be more efficient and cheaper to do both facilities.

A comparison of costs since replacing the pumps at the water plant was presented to the Council. We can see a decrease with the more efficient system.

The caretaker for the campground was approved to purchase a replacement spring for the "Whale Bouncer" at the spray park.

The second and third readings for the change to transfer station fees were adopted.

The Council accepted the termination of a memorandum of agreement that was entered into in 1980 with the RM of Rosedale. A new MOA will be drafted by the RM. This 1980 MOA was adopted by bylaw so that bylaw was repealed.

Nuisance properties were reviewed.

A minor amendment to a watermain easement agreement with Texcana Logistics was approved and signed.

The CAO's holidays for July 16 to 20 were approved.

Due to a review of the cost of gravel and new policy was adopted where the Town charges cost plus 35% which will cover the cost of the outside staff delivering gravel. This policy will be set for future changes to the Town's cost so it won't have to be reviewed annually by Council.

As the Financial Statements were approved with not enough time to insert a synopsis in the 2018 tax notices, it was resolved to publicize a summary and auditor's report of the Town of Hanley homepage and the full statement on www.townofhanley.ca/administration/council-minutes/.

Custom work arrears were applied to the tax roll of a property where the work was requested.

A building permit was reviewed to discover it had expired so the Administrator was instructed to enforce the expiration.

A bunnyhug was donated to the Hanley Golf Association for the Grindheim benefit supper silent auction.

The "Grindheim Fire Fund" was approved retroactively. The Administrator had asked for approval immediately after the devastating fire that affected this local family.

A question was posed to the Council about what we would be doing with the old street name signs once they have been changed. The Council decided to sell the old signs for \$20 each with the funds going towards operations at the spray park.

An offer to purchase the old Deines mower was received and accepted.

The Administrator reported having attended the following:

- Regional EMO meeting June 18 – representatives from the RM's of Rosedale, McCraney and Dundurn and the Town of Dundurn and Village of Kenaston attended along with Cal from the Fire Commissioners office to discuss a regional emergency plan. The Town's emergency plan was provided to each municipality along with a copy of a plan for a region around White Butte.
- WaterWolf Admin meeting June 25 – this is a great networking opportunity and guest speakers from Crosby-Hanna attended. The day proceeded with a BBQ for all members and the AGM followed at 7:00 pm. Councillor Richard McGregor is on the Board of Directors for WaterWolf.
- A lunch meeting with Urban Systems – the discussion was on the GIS mapping project but mainly about the Industrial Park development. Urban Systems provides a development officer that could be appointed by Council for future developments.

TOWN OF HANLEY

BYLAW NO. 4/99

A BYLAW of the Town of Hanley respecting the prescribing, regulating and enforcing the use of safety measures in connection with the private swimming pools.

The Council of the Town of Hanley enacts as follows;

1. In this bylaw:
 - (a) "private swimming pool" means an artificial pool of water having a depth at any point of eighteen (18) inches or more and/or has a surface area of the One Hundred (100) square feet or more, and is constructed or erected on private property for the principal use of the occupants of the premises, and includes both surface and underground pools.
 - (b) "owner" means a person or his authorized agent, and includes a lessee or tenant in possession of property on which a private swimming pool is located.
 - (c) "enclosure" means any structure or combination of structures which completely and continuously surround a private swimming pool on all sides.
 - (d) "swimming pool area" means the area within an enclosure and shall, as a minimum, include the access walkway.
2.
 - (a) The owner of every private swimming pool shall, in accordance with the provisions of this bylaw, erect and maintain an adequate enclosure surrounding the entire swimming pool area and sufficient to make such body of water not readily accessible to small children.
 - (b) No person shall fill a private swimming pool with water or maintain or use such pool filled with water until the provisions of this bylaw have been complied with.
 - (c) Every enclosure shall extend from the ground for a height of not less than six (6) feet throughout, and shall be measured from the exterior of same.
 - (d) Openings in any enclosure shall not exceed four (4) inches.
 - (e) Every enclosure having a gate or gates shall be equipped with self-closing and self-latching devices placed at the top and on the inside of the gate.
 - (f) No gate shall be less than six (6) feet in height, nor of a width exceeding four (4) feet.
 - (g) Every enclosure shall be so constructed so that all horizontal or diagonal structural members of same shall be located on the inside or pool side of the enclosure.
 - (h) Buildings situated on the property on which the pool is to be constructed or erected may be utilized to effectively enclose any pool.
3. Every pool shall provide an access walkway around the pool having a minimum width of three (3) feet. Provided, however, that for surface pools

that have an elevated access walkway, the minimum width of such walkway shall be two and one-half (2 1/2) feet.

4. Every private swimming pool shall be equipped with the following safety devices which shall be readily accessible in the event of an emergency:
 - (a) a reaching pole of sufficient length to reach mid-pool
 - (b) a first aid kit
 - (c) buoys and rope
5. The enforcement of this bylaw shall be under the jurisdiction of an agent of the Town.
6. Any person convicted of a breach of any of the provisions of this bylaw shall forfeit and pay at the discretion of the convicting judge, a penalty not exceeding One Hundred Dollars (\$100.00), exclusive of costs.
7. The provisions of this bylaw shall apply to all swimming pools as defined herein regardless of the date of construction of such swimming pool, providing that Section 3 shall not apply to swimming pools constructed prior to the passing of this bylaw.
8. This bylaw shall come into force and take effect on the date of the final passing thereof.
