RULES RULES RULES!

Did you know that each municipality in Saskatchewan shall adopt a Code of Ethics Bylaw (pursuant to subsection 93.1 of *The Municipalities Act*)?

This Bylaw ensures that “as members of council, we recognize that our actions have an impact on the lives of all residents and property owners in the community. Fulfilling our obligations and discharging our duties responsibly requires a commitment to the highest ethical standards.” And, “The quality of the public administration and governance of the Town of Hanley, as well as its reputation and integrity, depends on our conduct as elected officials”. This bylaw echoes the Oath or Affirmation of Member of Council that must be signed after they are elected.

The Town of Hanley Council adopted a bylaw in 2016 to fulfill these requirements.

The Bylaw in its entirety can be found on our website at hanley.ca under Administration then click on Bylaws and Policy or come to the Town Office during regular hours.

HANLEY FIRE HALL

If you are interested in organizing a function to raise money for the new Fire Hall, please don't hesitate to contact the Town Office for more information.

Since the last Hermes, Vern Harder has erected the frames for interior walls; Ryan Grindheim has been installing lights and electrical; and Titanium Mechanical will be installing the boiler.

Donations are accepted at the Hanley Town Office. You will receive a charitable donation receipt that you can use for your income tax

for the first practice of fall 2019.

Hanley Community Choir meets

Mondays, 7:30 -9:00 pm Lutheran Church

New members: short audition required.

Show up early (7 pm) September 16.

Hanley Fair is a wrap for 2019! This year celebrated the Hanley Ag Society's 10th Annual Hanley Fair after the fair was restarted after a few years break. The support from the community and surrounding towns and folks over the years has been greatly appreciated by the Ag Society and Fair organizers. Currently the Ag Fair is organized by Patti Prosofsky, Andrea Townsend, Molly Speir and Rachelle Tomy. Over the past 10 years there have been numerous other folks who have stepped up and jumped on board to help with organizing and putting on the annual fair and without those people the fair would not have grown to what it is today, so the Ag fair would like to extend a big thankyou to those folks as well.

This year's fair was held July 11 & 12th. The Friday kicked off with the Annual parade through town and we had lots of folks out to watch and catch candy as well as lots of people who walked, rode and drove in the parade. The parade is always a great kick off to the fair and we always look forward to seeing what people bring to be involved in the parade. Leading the parade this year on their horses were our first annual Fair King and Queen. Our chosen kids were required to write up and submit an essay detailing their involvement in the community, their extracurricular activities, their interests and what they would like to do with their bursary if they were chosen. The essays were then passed on to outside judges to be read and deliberated over. The chosen participants were Aiden Haroldson and Madison Carter. They were each awarded a \$500 bursary from the Ag Society to go towards extracurricular activities of their choice. They were responsible for many different duties throughout the weekend which they both carried out wonderfully! We are looking forward to continuing this new tradition on in future years. Thank you for your service this year Aiden and Madison!

Slow pitch is a staple in the Hanley fair and this year we had our max of 8 Teams come out and play. The winners of the pool are as follows.

Burr Tigers – A Pool Winner

Gunners Inc – B Pool Winner

Infield Crawlers – C Pool Winner

Vicious Hitters – D Pool Winner

The bike parade is always a big hit with the kids and this year was no exception. The creativity of the bikes always amazes us! Great work kids!! We had two judges this year watching from the parade sidelines, and their picks were as follows

1. Taylor Townsend, Dane Barber, Jessica Prosofsky
2. Karleigh Torguson, Sawyer Townsend, Amelia Speir

Friday Night we had a wonderful display of Fireworks that were put on by Dale and Kirk! Thanks Gentlemen, they were the best display we've had yet!!

Friday night we watched the guys entertain us with the lawnmower races, and burnout competition. The winner of the mower race was Kevin Palmer and the burnout was Brandon Powder. There was also a fun race for the kids on the blowup pony bouncers!

Once all activities were finished up out in the diamonds the crowd made their way in the concession for some fair grub and in to the beer gardens for a cold drink. The evening kicked off with Live music by Cooper Tropeau, a local young musician who has just recently released his first album! An incredible talent we look forward to hopefully having come join us again in future fairs. Thankyou Cooper!!

Saturday was filled with all kinds of fun activities going on! There was the Kids Ville activities which included a couple bouncers, a petting zoo & pony rides, all of which were free with admission to the fair. There was a glitter tattoo lady on site as well who was lined up for most of the day!

The Morning Saturday was kicked off by a pancake breakfast hosted by Rick Libke and Jim Byer of Saskatoon and Elance Steel. These guys cooked up fresh sausage and Pancakes to fill everyone's belly for the day. Thank you for your donation and the breakfast Guys!

There was a mechanical bull this year that ran all night Friday night and all day sat, that was run by a licensed operator and was a huge hit by all! That bull def got its workout! Rides were also free of charge with the price of admission to the fair.

The door prizes were awarded sat as well, with the winner for the adult one being Julie Bessey of Hanley receiving a Pressure washer and Taryn Bradley from Thode receiving a standup paddle board.

New this year we had pig wrestling for the kids. This was a huge hit and we had an incredible crowd out to watch and a lot of willing wrestlers! They were put into groups of three and put in a round pen with a 30lb pig. They were timed on how long it took them to round up the pig and lift it into a basket. The fastest team was the winner. We ended with a tie breaker and the final fastest wrestlers was the team of Quinn and Keisha McBroom of Thode and Jessica Prosofsky of Hanley with a fast capture time of 5.52 seconds. Way to go girls! The star Pigs were brought in and owned/handled by Tina and Lyle Leverton of Glenside area. Huge thankyou to Lyle and Tina and their girls Jessica and Sarah for supplying the pigs and the entertainment! It was such a fun addition to this year's fair!

With the weather being so hot we thought maybe a good old frozen ag fair t-shirt contest was in order, our winners of that were Danielle Hache . I bet those cold t-shirts felt really good that afternoon.

We got to watch some men's baseball during the day sat with the Hanley Sox playing a double header against the Bruno Bisons. Bruno Bisons won both games played. What great ball gentlemen!! Tyler Zdunich of Hanley hit a whopper of a home run sending it flying over the back fence!

The booth was open all for fair grub and yummy Sno cones to try to battle the heat. A huge thankyou to all of our volunteers who spent time in the booth cooking, BBQing and serving and cleaning. We could not do it without you all!

Supper was A Pig Roast!! Two Giant Pigs were prepared and cooked by Bob Sarich of Hanley and Mike Prosofsky of Hanley. One was cooked in a ground pit and the other on a giant BBQ. Both pigs were cooked offsite being started at 5am and were brought to the grounds by the cookers to be carved and served. The rest of the meal was prepared by Troy and Giselle Hanson and their Crew, and consisted of Delicious Mini potatoes, Salads, buns and all the fixings! A huge thankyou to all of the people involved in this dinner! It was incredible!

Music and announcing was provided by Danceland Dj's for the weekend.

Davidson Riding Club hosted one of their seasons meets in the riding arena, with a great turnout of horses and riders who came out to brave the heat and ride. Thank you to the Davidson Club and all their riders and organizers for bringing their meet to the fair this year! It was great watching all the riders!

The 2nd annual mud run was put on by Mel Chasmar and Melissa Townsend. The participants were required to complete an agility Circuit around the riding arena complete with fitness challenges, climbing wall and of course a mud pit! There was a lot of mud!! The kids got to wash off in a pool of chilly water at the completion of the run and a few of them found some relief from the heat by rolling and burying each other in the mud pit – sorry parents!!

That about wraps up the weekend, we had beautiful hot weather all weekend and a fabulous turnout of folks through the gates to partake in all the fair festivities, and we want to extend a huge thankyou to everyone for their support this year and the past 10 years! The Fair is something we look forward to every year! ~The Ag Society Fair

Hanley Housing Authority

We are looking for volunteers to join our Hanley Housing Authority as a Board member

Usually consists of 9-11 meeting per year, typically meeting in the evenings, 1-2 hours each meeting

If you require any further information please contact Sherri Mooney at 306-544-2296.

For Board application forms contact Town Office: 306-544-2223

Hanley Housing Authority

Hanley Housing Program

The Hanley Housing Authority on behalf of Saskatchewan Housing Corporation, offers the Social Housing Program. This program is designed to ensure that safe, adequate housing is available to those who could not otherwise afford it. Our tenants benefit from a safe place to call home, a community they can enjoy and peace of mind.

General Requirements for Housing

Applicants must meet income and asset limit requirements to be eligible for the Housing Program. All applicants are required to complete an application form and provide verification of income and assets, as requested.

Review Process

Applications are reviewed for eligibility and approved by the Housing Authority Board of Directors. We utilize a point score system that considers adequacy, suitability and affordability when determining the priority of need.

Once approved, units are allocated upon availability on a priority based, point score system.

Additional Information Senior housing rent is based on income – 30% of gross household income, collected via pre-authorized payment.

Units are smoke free – No smoking in the units by tenants or guests. Housing tenants are responsible for obtaining and paying for their own power. Heat, water/sewer are included in the rent.

Any questions related to the Hanley Housing Authority should first be directed to the manager.

All requested income information and previous landlord references must be included or application will not be processed.

ALL UNITS ARE NON-SMOKING UNITS

Hanley Housing rentals available.

One-bedroom unfurnished unit, 4 appliances, Heat and water included, yard maintenance provided.

Hanley Seniors Spring and Summer 2019

April 26 annual meeting and pot luck was well attended with Hedi Harder chairing one last time before handing-over the reins to Don Law. Welcome Don and thank you Hedi for your contributions and dedication as our president.

The new executive and Board of Directors includes; Don Law, Pat Earis, Joyce Armstrong, Bev Goff, Jean Reeves, Jan Beaumont, Margaret Ponak and welcome Marlene Simonsen.

Bingo August 1 - 2 p.m.

Exercises Monday afternoon and chair exercise Wednesday and Friday morning

Cards Wednesday and Friday afternoon.

Tentative date for Produce and Bake Sale - August 17. Watch for posters

2018

We have once again planted flowers on Lincoln Street and in the park with help from the Royal Bank. Special thanks to the caring people who maintain our public spaces.

General Meeting and Potluck - July 26, 4 p.m.

A great group of volunteers got some trees planted at the end of Lincoln Ave. An oak will replace the old black poplar that had to be removed a couple years ago. Thanks to Toni Chasmar, David & Susan Prosofsky, Ron and Kristine Earis for purchasing and planting the trees and to Lillian Tweet and Elsie McGregor for supplying the work crew with lunch and drinks!

The Hanley Community Baptist Church group gave back to the community by constructing a deck between the Library and Brightwater Insurance making that area look like an inviting place to have a seat. Thanks Brad Young and your worshippers!

NOTES FROM THE TOWN OFFICE

At our June Meeting:

Gerrid Gust, Sask Party nominee for Arm River Constituency attended the meeting to introduce himself to Council and listen to concerns they may have.

The culvert crossing Railway St. at 2nd Ave. was budgeted to have extensions on either end. This was reviewed and the culvert will be replaced.

A sewer service invoice was presented to Council for payment but the Council referred to the “Water and Sewer Management Bylaw” whereby a sewer service is the responsibility of the owner of the property from the building to the main and the invoice was returned to the owner.

The Baptist Church community wanted to do something for the Town so the Council supported them building a deck in the area between Brightwater Insurance and the Library. Thanks to those involved in that project! The area looks much better!

The Administrator reported having attended the WaterWolf AGM June 24 in Outlook; a SUMA Webinar about changes to Municipal Legislation on May 14 (the Mayor was in the office so he listened in also); a PE-BA webinar about changes to reporting for MEPP on May 16; another SUMA webinar on an Introduction to Risk Management on May 29; a Municipal Advisory Services webinar on General Administration; an Asset Management workshop held in the Senior’s Centre in Hanley on May 28; and the DRWU AGM on May 15, the regular meeting on May 29 and mediation on June 25.

A request by a past resident of the area was reviewed with the decision to present Michelle Geddes with a certificate of Honourary Citizenship of the Town of Hanley at the 2019 Hanley Ag Fair.

Replies were to be made to the President of Agvantage Development Corp in regards to the concerns of the inspection reports that were completed in April of 2019. This decision led the Council to instruct the Administrator to send follow-up letters to all parties of the Industrial Park servicing agreement inspection asking how work is progressing on the deficiencies noted on the inspection reports and trust that the deficiencies will be completed by August 31, 2019. The Council also requested progress reports.

Four Bylaws were adopted which included:

- 1) Waterworks amendment adding the enforcement costs to the utility billing;
- 2) Traffic amendment addition Stop & Yield signs at the corners of Bodeman Ave. and 1st St.;
- 3) A new Planning District Agreement with the municipalities that are members of WaterWolf Planning Commission; and,
- 4) Fire Restriction which better defines who has the authority to declare a Fire Ban.

Two Policies were adopted which included:

- 1) The Administrator is approved to purchase small advertisements with a limit of \$100 per advertisement; and,
- 2) The Administrator, at their discretion, is approved to purchase flowers for bereaved staff or Council with a limit of \$100 per bereavement.

The Council followed up with a 2018 Nuisance declaration to notify the owner that the Council would be acting on the declaration by contracting remedial action.

The student that the Council had offered the summer employment to did not accept the offer of employment so an offer is to be made to Kianna Dietz to summer employment. Kianna accepted the offer and you will see her out and about the Town again doing duties as set out by the Foreman.

The Administrator was approved to register for the SUMA Municipal Symposium: The Future of Municipal Development July 28 in Moose Jaw, SK.

NOTES(cont'd)**At our July meeting:**

A quote was provided to Council following the hydrant inspection completed by EMCO. It was decided to accept the quote to have the repairs done this year.

The Waterworks and Sewage Works annual inspections were completed and results reviewed by Council. A quote was provided by Loraas Disposal for supplying the bins at the Transfer Station. This quote was accepted for 2020.

Council was invited to a meeting at the RM of Dundurn to review the DRWU Corporate Bylaw. Mayor Marv Gerbrandt & CAO Darice Carlson will attend this meeting.

The Administrator reported having attending the WaterWolf AGM on June 24. There were presentations by auditor Jim Twigg; Saskatchewan Community Planning Branch; and Crosby-Hanna, WaterWolf's planners. She also reported having attended a SUMA webinar on how to prosecute bylaws.

Four Bylaws were adopted:

- 1) To provide for entering into a lease agreement with the Curling Club;
- 2) Amending the definition of "Junked Vehicles" in the Nuisance Bylaw;
- 3) Amending the Traffic Bylaw to reflect new street names; and,
- 4) A General Penalty bylaw to replace the outdated one.

Complaints of two nuisance yards was brought to Council's attention. The Administrator is to send letters to owners/residents of the properties to have the grass cut and tidied.

A decision was made in regards to the Artificial Ice Project to instruct the Administrator to draft a bylaw and promissory note for the Council to consider lending the Artificial Ice Committee money to proceed with the project.

The Administrator received approval for holidays for the week of July 15 – 19 with the office to be closed on July 19.

The Administrator notified Council of a Provincial Traffic Safety Fund grant available so they instructed her to apply for the funding to purchase three radar speed signs for speed management.

Bunnyhugs were donated to the Ag Fair and the Family Fun Day at the Golf Course.

The cost of the Loraas waste container will be donated for the Ag Fair again this year.

The Administrator was approved to pay donations to the Hanley Ag Society as they are received.

A fireworks request was approved with a suggestion of the display in the Town's open area/drainage channel behind the Dance Studio.

Hanley Senior Note

It has been a few months to express accolades to many people whose lives have been touched by many of us. Firstly, it was nurses with whom we have been friends for many years and the joys we experienced with their visit at the Nurses reunion at the Delta Royal Hotel. We loved it. At discussions it was discovered that most of our parents came from a distant land, on a ship racked at sea, no airplanes.

Secondly my family is somehow, always a giggler – AND A SINGER, and we followed suit. I guess I give thanks to my Dad who was very adamant I keeping us involved. When it came time to find work, he asked us to join him, one at a time – 5 girls

His words, well girls, I haven't enough work nor do I have enough land to pay for your livelihood, so I hope you might fend for your own, we did. Two became teachers, one worked at a Drugstore and two became nurses. Thanks – Dad and Mom for encouragement and your love. After this we all married and raised families.

Thirdly, a 90th birthday for a second sister, an enjoyable, important event of three days. A Barbeque, a program of about – you guessed it, mainly singing – not one song was repeated, but we thoroughly enjoyed all of it, with many laughs and applause.

Next was yet another surprise. A tour of Remai Art Centre and yet another surprise was followed by a Football game recognized by some of the birthday guests.

Two little guys were moved ready to run up and down a “Mountain” hill with speed and laughter. Then it was ice-cream at the “Homestead” Ice –Cream comes with sprinkles – at least for some and with such joy by 2 little guys who loved Ice-Cream as does their Great Grandmother.

Guests came from many places, Germany, Toronto, Hawkestone, Oro Medonte, Ontario, Killarney Manitoba, Kenora, BC, Medicine Hat, Tabor, Calgary Alberta, North Waterboro, Maine USA. Albuquerque, New Mexico and of coarse many guests from Saskatchewan.

Many thanks to everyone. I repeat and thank you again to all.

Mrs. Marg Peters

TOWN OF HANLEY SWIMMING POOL BYLAW

It's that time of year where there may be a number of swimming pools popping up in the community. The Council for the Town of Hanley wish to remind residents of the "Swimming Pool" bylaw.

Some of the key points of the Bylaw are:

- The definition of a "private swimming pool" is "an artificial pool of water having a depth at any point of 18" or more and/or has a surface area of 100 sq.ft. or more, and is constructed or erected on private property for the principal use of the occupants of the premises, and includes both surface and underground pools." This definition would include hot tubs that have a surface area of 100 sq.ft. or more!
- The owner of every "pool" shall erect and maintain an adequate enclosure surrounding the entire swimming pool area and sufficient to make such body of water not readily accessible to small children.
- Every enclosure shall extend from the ground for a height of not less than 6 ft throughout, and shall be measured from the exterior of same. Openings in any enclosure shall not exceed 4".
- Every enclosure having a gate or gates shall be equipped with self-closing and self-latching devices placed at the top and on the inside of the gate. No gate shall be less than 6' in height, nor of a width exceeding 4'.
- Buildings situated on the property on which the pool is to be constructed or erected may be utilized to effectively enclose any pool.
- Every swimming pool shall be equipped with a reaching pole; a first aid kit and buoys and rope.

This bylaw has continued to stay in force to prevent liability to you and the Town which means, if your pool does not comply with the bylaw and an incident occurs, you AND the Town could be sued.

Please ensure your summer swimming fun does not become an "incident". The bylaw can be viewed or a copy obtained from the Town Office.

Thank you for continuing to look after the residents of our fine community!

Fireworks – Celebrate Safely!

Many celebrate the season and special events with fireworks, but Emergency Management and Fire Safety asks that you plan for personal safety and potential fire hazards before making a living night sky.

Here are some important safety tips to be followed:

- Appoint a person to be in charge. Only adults who are aware of the hazards and essential safety precautions should handle and discharge fireworks. Alcohol and fireworks do not mix.
 - Carefully read and follow the label directions on fireworks packaging.
 - Light only one firework at a time and only when they are on the ground.
 - Always keep a water hose or pail of water close by when discharging fireworks.
 - Discharge fireworks only if wind conditions do not create a safety hazard.
 - Discharge fireworks well away from combustible materials like buildings, trees and dry grass.
- Keep onlookers a safe distance away, upwind from the area where fireworks are discharged.
 - Never try to light a firework in your hand or re-light dud fireworks. For dud fireworks, wait 30 minutes and soak them in a bucket of water. Dispose of them in a metal container.
 - Keep sparklers away from children. Sparklers burn extremely hot and can ignite clothing, cause blindness and result in severe burns. As the sparkler wire remains hot for some minutes after burnout, it should be immediately soaked in water to avoid injury.
 - If someone gets burned, run cool water over the wound for three to five minutes and seek medical attention, if necessary.

If planning a family fireworks or an informal neighborhood display, check with your local fire department and municipality about regulations regarding fireworks. Emergency Management and Fire Safety recommend that it's best to celebrate at public fireworks displays hosted by your municipality or other responsible organization who must adopt public safety standards.

THANK YOU

A huge Thank you to Kendra Fugelrud and Dorothy Gerbrandt from the Hanley Community Baptist Church for volunteering their time to come into the office and help out with the May Issue of the Hermes newsletter.

Also, huge Thank You to Dorothy Gerbrandt for coming into the office and for volunteering many days and hours helping out with the organizing, editing and getting the newsletter ready for July publishing.

Our community enjoys receiving the newsletter and can all appreciate the amount of time and work it takes to get it to the mailboxes.

The Town of Hanley presented Wes Beaumont with a Certificate of appreciation in grateful recognition of his valuable contributions to the Town of Hanley. Wes also was given a Town of Hanley bunnyhug. The presentation was made at a tea held at the Senior's Centre to celebrate Wes & Fern's many years living here.

TOWN TIDBITS:

Did you know:

The Hanley Town Office is willing to take e-transfers for bill payments but the onus is still on the person making the e-transfer to the Town. To make doubly sure that your payment has been received by the Town, send us a quick email telling us you sent it so we can reply. If you forget to confirm that way, make sure you keep an eye on the accounts that you are making the payment to. For example: if you make a \$100 payment towards your utilities, keep track of the date and check to see that it was applied to your utilities on that date or within a couple days of you e-transferring. The Office may not have time immediately to accept the transfer but we sure try to get it within a couple days.

Did you know:

The Town of Hanley DOES NOT have a bylaw allowing golf carts on the streets so *The Traffic Safety Act* legislation is in effect for any golf carts within the Town. You can check the legislation here: <http://www.publications.gov.sk.ca/freelaw/documents/english/Statutes/Statutes/T18-1.pdf>
