There are designated areas for steel. **ONLY TREES OR UNTREATED/UNPAINTED LUMBER MAY GO IN THE BURNING PIT.** Contact the Town Office regarding bin rental.

Hanley Housing Authority

Hanley Housing Program

The Hanley Housing Authority on behalf of Saskatchewan Housing Corporation, offers the Social Housing Program. This program is designed to ensure that safe, adequate housing is available to those who could not otherwise afford it. Our tenants benefit from a safe place to call home, a community they can enjoy and peace of mind.

General Requirements for Housing

Applicants must meet income and asset limit requirements to be eligible for the Housing Program. All applicants are required to complete an application form and provide verification of income and assets, as requested.

Review Process

Applications are reviewed for eligibility and approved by the Housing Authority Board of Directors. We utilize a point score system that considers adequacy, suitability and affordability when determining the priority of need.

Once approved, units are allocated upon availability on a priority based, point score system.

Additional Information

Senior housing rent is based on income – 30% of gross household income, collected via pre-authorized payment.

Units are smoke free – No smoking in the units by tenants or guests. Housing tenants are responsible for obtaining and paying for their own power. Heat, water/sewer/waste are included in the rent. Yard maintenance is provided. One bedroom unfurnished units include 4 appliances.

Any questions related to the Hanley Housing Authority should first be directed to the manager. Jayne at: 1-306-713-4545 or hanleyhousing2016@gmail.com.

All requested income information and previous landlord references must be included or application will not be processed.

ALL UNITS ARE NON-SMOKING UNITS

Hanley Housing rentals available.

One-bedroom unfurnished unit, 4 appliances, Heat and water included, yard maintenance provided.

For more information, please contact
Jayne at: 1-306-713-4545
hanleyhousing2016@gmail.com

WEBSITE UPDATES

If you have a business in town and wish to advertise your name and phone number on the Town's website, please visit:

hanley.ca>Business>Directory and click on the link for emailing the Town Office to provide us with updated information.

The same goes for volunteer organizations! Please help keep our website updated by contacting the Town Office.

We can only keep the website as current as you tell us! Thank you!

ANIMAL CONTROL

Our Animal Control Officer is Suzanne Coghill. She can be contacted at 306-371-3378 for concerns in regards to pets.

Please be a **responsible** pet owner and keep your pets licensed, under control and cleaned up after!

Pet licences were due Feb. 1. The ACO will now be sending out warning letters to those of you who have not licensed your dog and/or cat.

The snow is disappearing early this year and the dog poop is showing up everywhere! Please keep your pet on your own property to do his business and pick up any business that they have deposited off your property. A simple plastic bag is all it takes! Thank you for helping to keep our Town clean of poo!

TURN IN POACHERS AND**POLLUTERS –****TIP LINE****1-800-667-7561 OR #5555****ON****SASKTEL CELLULAR****RM RECYCLING BIN****INFORMATION NOTICE**

The **Blue Recycling Bin** located at the RM shop is for recycling **ONLY!**

Acceptable Recycling Items:

Paper and Cardboard

Plastics with a Recycle Symbol #1-#7

Tin and Aluminum

Please respect these guidelines or the service may be terminated.

RM RESIDENTS ONLY

Area is under video surveillance

Renew, restore, refinish, rebuild...

We can bring your older furniture back to life! Whether it's a well used piece that needs refreshing to an heirloom that's been in the back of the barn for the last 40 years, if it needs some TLC we can lovingly restore it to former glory.

We can fix those wobbly chairs, restore faded table tops to match the original colour, remove scratches, watermarks and dents, replace missing bits, and even design and build that custom piece you've pictured in your mind's eye!

Quotes and advice are always free, and no job is too small.

We're proud to live and work right here in Hanley.

This buffet was made in 1924 and had to be removed from a collapsing farmhouse by cutting through an exterior wall. I'm confident it will serve for another century.

Wooden Wabbits Woodworking

We are your local woodwork shop!

All our work except chair repair is guaranteed for a minimum of two years. We stand behind what we do, 100%. We also do tile work and renovations!

Call or text Dave today at 306-612-3521, or email dave@woodenwabbits.com

Saskatchewan Rural Advantage pricing (20% off labour!) has been held over till April 30. Call for your quote!

Hanley Artificial Ice Project News

The Arena Season is coming to a close for the 2019-2020 season. The Artificial Ice plant started out a little rough but has ended up to be strong and well used with this weather we have had in 2020.

The Artificial Ice project will now work on paying the Town of Hanley the loan back with money raised from the Trip A Month draw, Annual Bunnock Tournament, and the Field of Dreams.

The Artificial Ice Committee worked very hard at making this dream a reality. We just didn't put an Artificial Ice Plant we worked hard to also better the arena:

-Replaced the old clock with a new one; Swinging back doors with a garage door; New tractor door; Spray foamed with fire protection on back wall to help with insulation; Spray foamed and insulated lobby area boards; Safety netting ; New players benches (done in 2018); New boards; White Roll and lines for ice surface

With all these upgrades the arena will be enjoyed by many for years to come.

This project would not have been possible if it wasn't for the years of fundraising and support from our community and surrounding areas, the R.M of Rosedale for their contribution, and the Town of Hanley for the loan to make this happen. It also would not have been possible without the countless hours volunteers put in night after night to finish the project.

We would like to thank and acknowledge the local businesses who helped us with their equipment, time, and services:

- Rosedale Electric (Ryan Grindheim)
- Thall's Service
- Thall's Earthworks
- Dusty Rose Backhoe Services
- Hydro Dig (Kyle Palmer)
- Art Construction Ltd (Ryan Phillips)
- Michael Dubyk
- Jeff Sagen

Thank you, community members for your personal donations and for supporting all our fundraising efforts.

The Committee will be coming up with a wall of fame for all those who personally donated to the Artificial Ice Project. It is not too late to get your name or business on the wall with donations made to the Artificial Ice Project at the Town of Hanley.

At the Delisle game, on January 5th, the draw was made for a Saskatoon Family Blades Game package. Congratulations to the "Kempton" family.

The 2020 Trip a Month is now underway and we want to Thank the Minor Hockey parents for your help in selling out our 2020 tickets.

Congratulations to the following Winners so far:

January Trip – Disneyland: Glenn King – Dundurn, Sk.

February Trip – Mexico: Robert Mushumanski- Hanley, Sk.

March – Penticton: Draw on March 17th.

We will continue to keep you posted with Trip a Month winners, fundraisers and our fundraising efforts to pay off the Town of Hanley.

Thank You again members of the Hanley and surrounding areas for your continuous support in our fundraising efforts and making Hanley a better place to live through our sporting events.

NOTES FROM THE TOWN OFFICE

At our February Meeting:

Reports were provided for:

Public Works:

- The Foreman attended a Communications and Conflict Seminar on Jan. 21 at the WDM in Saskatoon;
- He also attended a Ground Disturbance seminar in Regina on Feb. 4;
- There was a hydrant replaced due to a wee bit of a leak on the 200 Block of Bodeman Ave. (no we weren't creating a new outdoor skating rink!); 1 curb-stop that was leaking and 1 frozen that required being turned on.
- By the time of this publishing, the trickle lines should have all been turned on

WaterWolf District Planning Commission:

- The WW secretary provided a list of quotes for the Water System Assessment that is require again in 2020 for some of the member municipalities. The Town Council agreed that MPE Engineering should be contracted for the region. This is a great example of group purchasing to get a better deal for our municipalities!
- The Province of Saskatchewan has released Targeted Sector Support funding for group projects. The WW group will be applying for a new Regional Official Community Plan and small groups within WW will apply for new Zoning Bylaws as there have been a number of amendments since the last Zoning By-law was passed. It was also suggested, within the group, that we could possibly apply for Governance Training for the municipal councils as this is an election year.

Administrator:

- The Administrator attended the 2020 SUMA Convention from Feb. 2 – 5 along with Deputy Mayor Richard McGregor. While there, the two Hanley representatives received a Saskatchewan Municipal Award for Regional Cooperation with some of the member municipalities of WaterWolf.

- The Administrator reported on the Infrastructure Canada Investment Program funding where the Council instructed her to follow-up with quotes for condition assessments of the water and sewage mains. Changing the water meters was also discussed as many of them are now 10 years old and there are some failing each quarter. The Gas Tax fund was discussed at this point also to possibly “top-up” the funding being applied for on the Official Community Plan and Zoning Bylaws.

NOTES(cont'd)**RCMP:**

- The Annual Performance Plan was presented to Council and approved. The Policing Priorities for the Saskatoon Detachment for the coming fiscal year, April 1, 2020 to March 31, 2021 include: (1) Enforcement – Prolific Offenders – Property Related Crime; Drugs; Traffic; (2) Visibility – Rural Patrols, School and Community Visits and Presentations; (3) Intelligence Lead – Intel Gathering; Rural Crime Watch Groups, etc.

A request from a delegate from the January meeting was tabled till the Feb. meeting as there were only 4 Councillors at the Jan. meeting. The Council denied a request for further tax abatement.

The Administrator was instructed to contact the Town's solicitor to have her proceed with a draft Settlement Agreement as requested by Advantage Development Corp.

It was decided to purchase three I-Safe portable radar speed signs for the approved SGI Photo Speed Enforcement (PSE) program. There still seems to be speeders on Railway St. and the 764 Grid so hopefully they get the hint when a sign is flashing at them!

An unaudited utility surplus was approved to be transferred to the utility reserve in the amount of \$6,903.

A Town bunnyhug was donated to the 2020 Ladies Night Fire Hall fundraiser.

Pursuant to clause 3(e)(5) of the Town of Hanley Parking and Traffic bylaw, the white Sunfire parked at the Hotel is to be removed by a towing company and impounded for 30 days.

Accounts in the amount of \$173,327.45 were approved.

At our March meeting:

Councillor McGregor reported on WaterWolf executive meetings and updated Council on what WaterWolf is doing for our and the member communities.

The Administrator reported on having received the 72-page report created on the Municipal Symposium attended last summer.

The Administrator also reported on having attended the DRWU regular meeting on Feb. 26. The utility will be applying to the Saskatchewan Municipal Board for a decrease in water rates. If this is approved, the Town will also be revisiting rates. After approving the installation of a truck-fill at Pumphouse #2, there was a discussion of truck-fill rates of surrounding communities. A Safety Audit was completed and the maintenance committee will review in more detail. Due to the success at Pumphouse #1, it was decided to install a solar panel system at Pumphouse #2 provided that the company meets all safety requirements requested by the utility. The Board reviewed a Waste Water Utility Maintenance & Operations agreement they are considering with the Dundurn Rural Waste Water Utility. A Grand Opening date was tentatively set for May for the new Office/Shop. Watch for updates. The new Corporate Bylaw hasn't been signed by all parties as of this date so the Board continues to operate under the existing bylaw.

The Bylaw Enforcement Officer from the Commissionaires will be scheduled to do follow-up inspections this spring, tentatively in May. If you got a notice last fall, have you cleaned up your yard yet?

The Administrator was instructed to apply for Investing in Canada Infrastructure Program for sewer main condition assessments and automatic doors for the Community Hall. This grant would pay 73.33% of eligible expenses if approved.

A letter of intent to purchase the old Fire Hall was approved. The funds will be used to further the construction of the new building.

A more detailed Tangible Capital Asset Thresholds and Useful life was presented to Council for discussion and approval.

Accounts in the amount of \$52,083.02 were approved

Thank you to Don Law for taking the time to fix one of our counter drawers in the town office. You solved a lot of frustration!

RULES RULES RULES!

The CAO for the Town attended a webinar and thought the following history was pretty drastic!

History of Building Codes

1758 BC - The Code of Hammurabi

“If a builder has built a house for a man and his work is not strong, and if the house he built falls in and kills the householder, the builder shall be slain.”

Luckily Codes have evolved over the years.

National Building Code of Canada was first published in 1941. The NBC for Canada 2015 was adopted Jan. 1, 2018. The National Fire Code of Canada 2015 was adopted Jan. 1, 2018 and the National Energy Code of Canada for Buildings 2017 was adopted Jan. 1, 2018 and came into force Jan. 1, 2019.

The National Building Code 1953 stated “The code is essentially a set of minimum regulations respecting the safety of buildings with reference to public health, fire protection, and structural sufficiency. Its essential purpose is the promotion of public safety through the use of desirable building standards throughout Canada.”

As of Jan. 1, 2018, the 2015 Edition of the NBC of Canada is in force in Saskatchewan and its adoption affects every person. “No person shall fail to comply with the edition of The National Building Code of Canada that is in force at the time the permit for the work to be undertaken was issued.”

TOWN OF HANLEY TAX NOTICES

The utility e-notices have been so successful that the Town’s software company is now offering a program to deliver tax notices by email. There is a cost to the Town but there could be a savings by not mailing your notice. Please contact the Town Office by email townahanley@sasktel.net if you would like to receive your tax notice by email. There should be at least 100 people that request this service to make it pay for itself so let the Town Office know asap

TOWN EMERGENCY NUMBERS:

Evenings: Mayor: Marv Gerbrandt - (306) 544-2802 or (306)270-2737

You can call the Mayor or any of the Councillors first to ascertain course of action needed to be taken.

Weekends Water & Sewer Maintenance: Don Suttie - (306) 544-2797 or (306) 261-0200

All other issues (or unable to contact Don): Call the Mayor or any other Council member.

HANLEY CENTENNIAL COMMUNITY CENTRE

Book now for your event to make sure you get the date you want!

Bookings will be taken at the Hanley Town Office at (306) 544-2223

Or email at townahanley@sasktel.net

The large bowls from the kitchen have gone missing! Did you forget to bring them back to the hall after your rental? Please return them asap as other rentals would appreciate using them. Thank you for Pat Earis and Toni Chasmar for donating a couple bowls! They really come in handy so are good to have for rentals.

The curling rink has sure been a busy place with Monday morning curling, Tuesday and Friday evening leagues and the Hanley School students coming for practice! There have been a few bonspiels and Junior High School curling! It’s great to see such so much action in the Community Centre!

Hanley Seniors

Join us for some indoor activities.

Find out who won this week's draw for the Fire Hall lottery
and enjoy a coffee and some laughter on Monday morning
Get moving indoors while the streets are icy on Monday afternoon.

Tie some quilts on Tuesday afternoon

Get your heart rate up at chair dancing on Wednesday morning.

Play some cards Wednesday afternoon.

BINGO—First Thursday afternoon of each month.

NEW Bring your knitting or other craft project with you on remaining Thursday afternoons

Chair dancing Friday morning

Friday afternoon cards, Birthday and anniversary lunch last Friday of the month

HANLEY FIRE HALL

If you are interested in organizing a function to raise money for the new Fire Hall, please don't hesitate to contact the Town Office for more information.

Donations are accepted at the Hanley Town Office. You will receive a charitable donation receipt that you can use for your income tax.

The new building is finished enough that the Fire Dept can move in! There is still lots of work to do and no money to do it so if you would like to make a donation or organize a fundraiser, we can keep going on this project!

A couple of the Town Councillors, along with a past Councillor, hosted the annual Ladies Night on Feb. 22. It was a very successful and fun evening again raising \$2,494.23! Thanks to all the volunteers that helped out for set-up and at the event!

Thanks again to the local RBC for your annual donation of \$1,000!

Donations are accepted at the Hanley Town Office. You will receive a charitable donation receipt that you can use for your income tax.

TOWN TIDBITS:

The office staff of the Dundurn Rural Water Utility do a calculation that shows the average household water usage. For 2019 their calculation showed in the chart:

If you use these average gallons per day and multiply them for the quarterly billings that the Town of Hanley sends out, your average usage would be:

2 in Household x 90 days = 6,552 gallons

4 in Household x 90 days = 10,269 gallons

6+ in Household x 90 days = 15,786 gallons

If the consumption showing on your utility bill shows close to this usage, you are in the average!

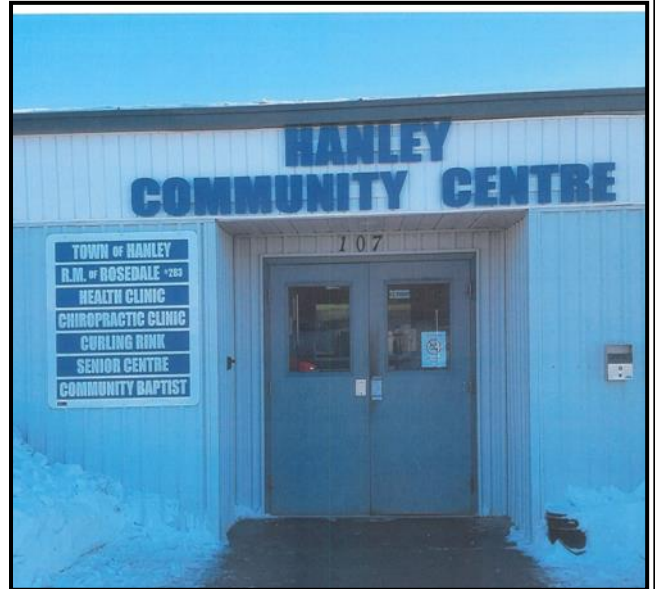

Average Daily Consumption of DRWU Subscribers	
2 in Household	72.8 gallons per day
4 in Household	114.1 gallons per day
6+ in Household	175.4 gallons per day

DUNDURN RURAL WATER UTILITY – BRAND NEW OFFICE / SHOP

Dundurn Rural Water have been in their new office/shop for about 3 months and now they want to show it off!! They will be hosting their GRAND OPENING near the end of May. Come have a tour and enjoy a hamburger/hot dog supper on them! They will have a few draws and will have some give-aways.

(PLEASE NOTE THAT IF THE COVID-19 SITUATION ESCALATES, THE GRAND OPENING WILL BE POSTPONED). Please watch for updates on the Dundurn Rural Water Utility web-site.

Thank You Notes

We would like to give a huge shout out “Thank – You” to Neil McRae and Ron Earis (and Grand-son) for volunteering their many hours of labor prepping for the New signs prior to installment, by removing all the old signs on the front of the Community Hall, and also replacing the background white panels with nice new ones. Your hard, energetic work is gratefully appreciated by all!

HANLEY/ROSEDALE FIRE DEPARTMENT

Donations and the 50/50 Fire Brigade lottery are great ways to support the Hanley Rosedale Fire Brigade.

Be sure to check at the Hanley Town Office to see if you are paid up to be eligible to win!!

Fire Brigade lottery winners:

Neil/Joyce Armstrong—\$30.- Pd \$103.00

Wes/Fern Beaumont -\$35- c/o

Neil/Joyce Armstrong—\$35-Pd \$70

Lillian Tweet - \$35 - Pd

Glenn Harbor - \$ 37- c/o

Darla/Rod Holland - \$40 -c/o \$77

Terry Sheffield—\$40 –c/o \$117

Ken/Irene Froese—\$40 -- c/o \$157

BE SURE YOU ARE PAID UP FOR 2020!!

If you haven't paid for one year, you will be dropped from the list. If you want back in, you will have to pay the \$3 membership fee again!
