BYLAW INFORMATION AND REMINDERS!

Council enacts bylaws for the safety and wellbeing of our community.

They have noticed an increase in the usage of golf carts within the town, so in an effort to ensure our roads and people are safe, have passed a bylaw to restrict the operations of golf carts to travelling the most direct route to and from the golf course and that the person driving and/or owner must have a valid license and liability insurance.

BYLAW INFORMATION AND REMINDERS!

Do you know what to do if you encounter a dangerous animal?

The first step is to contact the RCMP for assistance!

Dangerous Animals are covered in Division 5 of The Municipalities Act. The Act outlines the descriptions and processes involved in determining whether an animal is to be declared dangerous.

Building & Development

Did you know you require a building permit for any project 100 square feet or above, whether or not it is on skids? For more information, check out <https://hanley.ca/administration/building-development/>
