## NOTES FROM THE TOWN OFFICE

### **At our August meeting:**

A decision was made, because of a shortage of work for two students, to layoff one summer student.

Incident reports for sewer backups the weekend of July 23, were reviewed by Council.

Reports were received from Mayor McGregor on WaterWolf; Councillor Maddocks for DRWU; and the Administrator for maintenance, Fire Hall, development and building permit applications, library and campground.

The Human Resource committee meeting minutes for July 19, 21 were adopted.

The Administrator was instructed to complete an Infrastructure Investment Plan application with the Canada Community-Building Fund for the installation of the ventilation system for the Fire Hall construction project. This is the old "Gas Tax" fund with the name change better reflecting what the program is supposed to target. There is a top-up amount available for 2021 and there are to me more eligible projects.

Following a notice to remedy, the Council will be instructing the summer student to clean-up and cut grass at Lots 7 – 10, Block 26, Plan H5352.

Council declared property in the Industrial Park a nuisance.

Animal Control Officer, Rae McLean is reaching out to people that have not purchased animal licenses for 2021 and will be patrolling to watch for infractions. One targeted infraction will be animal excrement being left in public spaces. Please be a responsible pet owner and pick up after them!

Council acknowledged the receipt and signatures of the subdivision application for Block 3, Plans 54632 and C1407.

The Administrator was instructed to prepare documents for application to the Active Transportation Fund for replacement of sidewalks listed on Asset management forecast as due for replacement in 2021, and construction of a new sidewalk from Lincoln Ave. to Walter Scott Ave. on Fourth St.

**NOTES FROM THE TOWN OFFICE (cont'd)**

A stale-dated cheque was written of to be re-issued.

It was resolved that Council directs staff to apply for a grant opportunity from the Federation of Canadian Municipalities' Municipal Asset Management Program for Municipal Facilities Condition Assessment. Be it therefore resolved that the Town of Hanley commits to conducting the following activities in its proposed project submitted to the Federation of Canadian Municipalities' Municipal Asset Management Program to advance our asset management program: conduct a needs assessment. Be it further resolved that the commits \$534.00 from its budget toward the costs of this initiative.

Council approved the destruction of documents from storage on the mezzanine of the Town utility building.

The Administrator was instructed to apply for funding from the Affinity Credit Union for repairs for the Community Centre to be determined by the Centennial Committee.

Pursuant to Subsection 185(3) of *The Municipalities Act*, Council considered it appropriate to publicize the complete 2020 Financial Statements by posting it on the Town's website "hanley.ca".

The Administrator was instructed to write-off a final utility bill in the amount of \$3.50.

Accounts in the amount of \$165,814.08 were approved for payment.

Council approved the purchase of a campground sign to be erected over the existing campground highway sign in the amount of \$430.34.

The Administrator was instructed to set up Auto-deposit in online banking for a more secure way to receive e-transfers.

A request by the Hanley Golf Club for a possible building permit was reviewed.

Accounts in the amount of \$99,691.26 were approved.

---

## **TRANSFER STATION INFORMATION**

### **SUMMER HOURS**

**Tuesday & Thursday: 5:00 p.m. to 9:00 p.m.**

**Saturdays 10:00 a.m. – 5:00 p.m.**
