Churches, TOPS, Legion	Page 4
Club 52, Blackstrap Heating, Hair Stylist	Page 5
Notes from Town	Page 6
Child Health Clinic	Page 7
Centennial, Arena	Page 8
Seniors, Artificial Ice	Page 9
Fire Dept	Page 10
Tupperware, Yoga	Page 11
Artificial Ice Lottery	Page 12
World Diabetes Day	Page 13

### Hanley Arena Ice Rentals

Renting the ice is \$50 an hour and it's available for birthday party's etc.

Contact April at [aprillibke@hotmail.com](mailto:aprillibke@hotmail.com) to book

### Centennial Hall

Thank you so much to the Ag Society for the new cooler in the kitchen. As well, thank you Larry and Marlene Simonsen for the new fridge in the clubroom. You guys rock!

### Sidewalks

Winter is upon us and the snow has been flying. Please consider your neighbors when shoveling snow off your sidewalks. If each resident looks after the sidewalk in front of their property, the sidewalks will stay clear for all residents using them!

### Transfer Station Hours

Starting Wednesday, October 1<sup>st</sup>,

winter hours will be in effect.

Saturdays only, from 10am to 5pm

### Minister Yelich's

## Town of Hanley

Box 270  
Hanley, SK S0G 2E0

## HANLEY SCHOOL-ASSISTANT CARETAKER- FULL-TIME TEMPORARY

The starting salary for this position is \$16.67 per hour.

Caretakers work closely with our Maintenance Department and school staff to maintain the school building to the highest standards possible. Our caretaking staffs are supported by the division Caretaking Supervisor.

Preference will be given to caretakers who:

- Have training and/or experience in the caretaker field;
- Place a high premium on safety at all times;
- Demonstrate a caring and supportive attitude toward children;
- Value communication and collaborative relationships;
- Are committed to being flexible in the workplace;
- Are committed to positive working relationships.

For more information about this position or Hanley School, please contact Ms. Brenda Thibodeau, Caretaking Supervisor, at (306) 683-2919, or Mr. Chris Tucker, Principal – Hanley School, at (306) 544-2511.

WHMIS training or a willingness to obtain this training is a requirement of obtaining this position.

References will be contacted prior to interviews. Submission of your application will be considered as your consent to contact supplied references.

Please apply online at <http://www.spiritsd.ca/hr/employment.htm>

### Hanley Composite School

#### **CHRISTMAS FAMILY FUN NIGHT!**

When: Wednesday, December 10th, 6:00-7:30PM

What: Activities throughout the school for you to enjoy with your family.

Why: To celebrate some festive fun with friends and family.

There will be activities such as: crafts, cookie decorating, horse drawn sleigh rides (fingers crossed), hot chocolate, games, and more!

Hanley Composite School students are organizing a local food drive for Hanley & Dundurn. Students will be creating posters to spread awareness. As well, they will be decorating boxes and placing them in local businesses and churches. The food drive will be ongoing until Thursday, December 18. All of the food items collected will be distributed to local families in need during the Christmas Holidays. Please keep an eye out for our donation boxes throughout the communities. If anyone would like to be involved, please contact Mr. Z at Hanley Composite School.

---

#### SPARE BUS DRIVERS URGENTLY NEEDED

We are continuously looking for extra bus drivers. With the shortage of spare bus drivers, there are always concerns that some trips may need to be cancelled if our driver numbers don't improve.

If you are interested in becoming a spare bus driver, Please contact Bill Steckler (bus trainer) at the division bus garage (306) 374-2496.

*Bouquet Korner.....by Dory Smith*

\* The Hanley Elks would like to thank Pat Sira for mowing the grass around the Lodge this past summer.

Sincerely,

Marie Sira, Office Clerk- Town of Hanley

\* Please thank the United Church for putting on the delicious Monday lunches! It is so nice to have fellowship and hot lunch every week.

Darice

\* A big thank you to Blaine Harris for helping me out at the Elks senior complex, shoveling snow. Very much appreciated.

Karen Reeves

\* Well it's that time of year with all this snow - we clap our hands to each and every 'Snow Angel' out there who helped remove snow for many of us and went beyond to do sidewalks down town as well as driveways. We **THANK YOU**, each and every one of you. You are truly pillars of our community !

\* Another thank you to the United Church ladies for the delicious lunch we had, very enjoyable and much appreciated.

Wayne and Sharon

or \$10.00 off your color!**

Hello neighbors! I'm a Journeyman Stylist of 23 years and my in-home salon in Dundurn on 3rd St. is now open! I've had extensive training from across Canada and in Los Angeles, worked in one of the largest, most successful salons in Canada for 10 years and I'm looking very forward to welcoming new clients in the area!

I am open Mondays, Wednesdays, Thursdays 10-5 and some Fridays, Saturdays and even possible Sundays. I also have a great referral incentive program to save you money on future services!

Call 1-306-492-2558 to book an appointment or have any questions. I look forward to meeting you and helping you find a look you will love! Men, women, children All welcome! - Tanya

**NOTES FROM THE TOWN OFFICE****In September:**

Brian Sawatzky and Sean Gatin of Agvantage Development Corp attended the meeting to update the Council on the progress of the development west of the rail tracks and to meet Councillors that they hadn't personally met yet. Due to the involved paperwork with the subdivision and development process, an extension to their purchase agreement was awarded for one additional year, to October 18, 2015. Brian and Sean will try to attend a meeting in March of 2015 to provide another personal update. The subdivision application has been approved and they are awaiting the CN Rail design approval and the engineering plans which will hopefully be complete in late winter or early spring so construction can begin. The plans should soon be completed at ISC with each parcel registered with its own title. You will have seen equipment out there already moving some of the massive amounts of dirt that will be required to be moved to assist with the drainage plan. A Project Manager has been contracted by Blair's Family of Companies to oversee the project. He was in to introduce himself at the Town Office and stopped in to visit a couple Councillors. The Council is moving ahead with drafting Zoning amendments to allow for a work camp and passed a "Trailer Licensing Bylaw" to provide for a fee to be charged for temporary buildings if a work camp is established.

Mayor Gerbrandt declared October as "Breast Cancer Awareness" month. Ribbons and other materials were available during the month at the Community Centre bulletin board.

Marie Sira was hired as the new Office Clerk. Be sure to give her a hearty welcome to the Town Office. She is learning a lot and is a great office support staff member. Joyce Armstrong is enjoying her second retirement!

The Town received a donation to the new Fire Hall building along with a purchase price on the sale of the land where the old opera house stood. As the RM of Rosedale had ½ share in the ownership of the land, ½ of the donation was given to them to go towards the purchase of a new Fire truck.

It was approved that Councillor Smith and CAO Carlson attend the SUMA Central Region meeting on September 29. Councillor Smith was unable to attend but CAO Carlson attended. The biggest information to come out of the meeting was the small amount of Federal funding that would be available to communities under 100,000 for the Building Canada Fund – Small Communities Component. The Province has not yet ratified the agreement so applications are not yet being received.

The CAO continues to attend the regular monthly and committee meetings of the DRWU.

**In October:**

Les Kroeger was honored at the Fire Department BBQ on October 11 where the Fire Dept. conducted their BBQ draw with a card to sign by attendees and a gift card to Saboroso's from the Town Council.

Due to the Saskatchewan Assessment Management Agency initiating a new fee for maintenance requests, the Council passed a bylaw to be enacted January 1, 2015 increasing the building permit administration fee to \$30.

Councillor Smith volunteered to sit on a Policy Committee to review the Policy Manual. She and the CAO spent a day going over every line to present amendments to the Town Council.

**NOTES FROM THE TOWN OFFICE****In October:**

Infrastructure Investment plans are to be completed by the CAO for the following: Sidewalks - \$6,000 each year for a five year term (to be matched by the Town to equal \$12,000 budget each year for five years); Asset Management - \$10,000; Transfer Station Building - \$5,000; Water main Replacement Project - \$109,109.80. These totals reflect the funding available for the next five years (\$154,109.80).

The Town Office staff requested that the office be closed on November 10 so the regular meeting of Council was conducted on November 6.

The Council authorized proceedings to request titles to parcels of land in arrears of taxes from 2013.

**In November:**

The by-election was held on November 12 with Giselle Hanson being the successful candidate.

Councillor Richard McGregor was appointed Deputy Mayor for an additional year.

The Building Permit summary was presented to Council. There has been \$407,440 worth of permits approved for 2014.

The first reading of the zoning amendment to allow for temporary work camps was resolved with the required advertising going in the Davidson Leader for two consecutive weeks. The second reading can be done in January.

Mayor Gerbrandt, Councillor Smith and CAO Carlson met with two representatives from the Asset Management Division of the Department of Highways with developer Brian Sawatzky on speaker-phone. There was discussion on the impact of traffic on Highway 11 once businesses are established in the Industrial Park. Mr. Sawatzky had initiated this conversation in the spring with Highways.

Foreman Collins will be travelling to Martensville to see how they do a "trickle system" on private water lines to help prevent the problem lines from freezing in the future.

The CAO was instructed to get information and quotation on dust control that the RM of Dundurn uses in Shields and on their busy intersections off Highway 11.

**The Town Office will be closed December 23-26. Sorry for the inconvenience. Thank you for your consideration.**

***Hanley Child Health Clinic***

Child Health Clinic located at the Community Centre on Lincoln Street.

Held the 2nd Tuesday of the month

Clinic hours: 10:30 a.m. -2:15 p.m.

or Box 69 Hanley, SK, S0G 2E0

**HANLEY CRAFT & TRADE SHOW 2014**

Thank you to all the guests that braved the winter weather to join us on November 29! It was great to see so many people out and about! The support of our local community is tremendous!

To all the artists, bakers, crafters and vendors - you put on an amazing experience for the community! I have heard so many excellent things about the day!

To the volunteers - a day like this can not survive without you! You all have a special place in the heart of this community, and your service is always noticed and appreciated, To you, I give a special Thank You!

I hope everyone had a wonderful day, and ventures out for another community event again soon!

**Shelli Schwanbeck**  
Organizer, Hanley Craft and Trade Show 2014

### ***HANLEY SENIORS***

The Hanley Seniors have had a very busy and successful year. We had many projects. Fundraisers were two raffles, a garage sale and bake sale. We have had guest speakers, movies and travel slides.

#### **Weekly activities**

- Exercises – Wednesday and Friday – 9:30 am
- Cards – Wednesday and Friday – 2:00 pm
- Crafts and tying quilts – Tuesday (in the winter) – 1:30 pm
- Pool – Tuesday – 1:30 pm
- Coffee – Monday morning - \$1.50

#### **Monthly activities**

- Bingo – first Thursday of the month – 2:00 pm
- Birthdays and anniversaries – last Friday of the month

#### **Upcoming special activities**

- Whist tournament – Wednesday, January 14, 2015 – 2:00 pm
- Winter games – Thursday, February 19, 2015 – 10:00 am
  - Aggravation (marbles), pool, whist
  - Lunch will be served

**Everyone is welcome to attend any activity.**

We support Gifts for Mothers at the YWCA. Many of our members and others have made quilts, scarves, mitts, toques, pyjamas, and other items to donate to this cause. On November 25<sup>th</sup>, Steve Chisholm and Margaret Peters came to the seniors to visit and pick up the items for mothers. Also, quilts are tied for MCC.

Each year the Seniors Club purchase flowers for the Cenotaph Park and we have also been placing flowers in the pots at the front of the Centennial Hall.

Several members have moved or passed away this year and we miss them at the centre. We have several new members. If you would like to become a member just come to any activity.

***'Merry Christmas from everyone at the Seniors Centre!'***

The Hanley Artificial Ice Committee would like to Thank Everyone who came out for the Steak Night and showed your support in our Project.

#### **Thank-You Everyone for your Donations to the Silent Auction.**

Congratulations to the Early Bird Winners

#### **5-\$100 Winners**

- 1.) Jason Beres
- 3.) Susan Englestead
- 5.) Karen Marshall

- 2.) Henry and Lynn Peters
- 4.) John Myroon

#### **\$500.00 Winner**

Jodi Simonsen and Janya Norrish

### Hanley Rosedale Volunteer Fire Department

The Hanley Rosedale Volunteer Fire Dept has had a few changes since the last edition of the Hermes. On Oct 16th the Fire Dept acquired 2 trucks on the same day. the first one is a 2004 F350 4x4 that carries 300 gallons of water. It has a Honda 13 hp water pump that will greatly improve our performance on grass fires, off terrain calls, and any other calls that are not accessible for regular apparatus. The second truck was previously used by the City of Saskatoon, it is a 1992 pumper that has a 50' telesquirt attached to the truck. This will give us an elevated water stream capable of delivering 1000 GPM of water onto a fire. To our knowledge we are the only department between Saskatoon and Regina that has this capability.

The 2004 F350 was completely paid for from the funds of the 50/50 lottery that was started approx 3 years ago. We would like to send a huge thank you to everyone who has supported us in the past and look forward to continued support in the years ahead.

The winners from the lottery include:

Darice Carlson \$164  
Wayne Knock, carry over  
Robert Leduc carry over  
Ron Dyck carry over  
Crystal Wick \$152  
Velma Grindheim carry over  
Trent Hammond carry over  
Harold Dyck carry over  
Punch Remmen \$156  
Elmer Sira carry over  
Arlene Haaland \$78  
Jody Buckley carry over

We will soon be starting our 4th year of the lottery. You can join at anytime, and play as often as you wish. Entries available at Brightwater Insurance, Town Office, Trailbreak Services.

The Fire Dept is looking for individuals who would like to take a first responder course or join the fire dept. Please Contact Darren at 306-544-2856

### FIRE PROTECTION

The following is the first in a series of notes taken from "Canadian Underwriter.ca" Canada's Insurance and Risk Magazine. We will feature notes in the next few editions of the Hermes.

Recent news in several areas of Canada has reminded the insurance community that public fire protection is far from standardized in this country. Many insurers have forgotten this and have fallen back into the lazy habits of old, which led to the peril of fire being a grave concern across the industry.

The trouble is that almost all Canadian citizens, underwriters included, assume public fire protection is standardized and that simply being Canadian entitles that person to some level of fire protection.

Nothing could be further from the truth.

In fact, the insurance community of Canada came together in 1883 to form the Canadian Fire Underwriters Association specifically to bring order to the chaotic model of public fire protection in the country. The model that was created included having a single index of published fire protection levels that all insurers agreed to use to set premiums.

Municipalities, realizing the amount of public fire protection they provided would be measured by an outside agency, became fairly diligent to invest in public fire protection capacity and mitigate fire risk by implementing and enforcing building and fire codes.

#### MODEL APPROACH

The way the model of public fire protection works is fairly ingenious. Municipalities manage their fire risk and provide measurable levels of public protection, fire insurance grades are set, and the insurers adjust capacities and premiums to reflect the level of risk and protection on the ground. The whole system is a positive feedback loop that results in insurers being able to underwrite more accurately and municipalities being able to justify the expense of public fire protection.

All Canadians benefit from this system.

### **ANIMAL CONTROL**

This is part 4 of a series of notes from "An Enlightened approach to companion animal control for Canadian municipalities":

#### **NEUTERING (Spay or Castration)**

Pet overpopulation is a major problem. It is currently a significant factor in the euthanasia of almost 60% of cats and more than 30% of dogs in animal shelters across Canada every year (CFHS 1997 statistics from Canadian shelters). Municipalities can be part of the solution to this problem by implementing and enforcing bylaws that encourage and reward responsible pet owners who licence, permanently identify and neuter their pets.

An important aspect of responsible pet ownership is neutering of companion animals to prevent the birth of more puppies and kittens needing homes. Municipalities can encourage pet owners to have their pets neutered by implementing preferential licence fees for altered dogs and cats. The differential should be high enough to act as an incentive for pet owners to have their pets neutered. Municipalities can also help by educating pet owners about the health and behavioural benefits of neutering their pets, as well as their social responsibility to do so.

*A World of Good Wishes*

**THANKS TO OUR PRIZE SPONSORS**

A huge thank you to Mrs. Bain for her talents in organizing a fundraiser for juvenile diabetes research. Mrs. Bain, with the help of Ms. Bishop-Moisan and Mr. Hutchinson, planned "Dye-It for Diabetes". Students from grades 5, 6 and 8 tie dyed t-shirts and streaked their hair for World Diabetes Day on Nov. 14. The day also involved a bake sale, which raised over \$350 dollars, all of which was donated to the Juvenile Diabetes Research Foundation. Thank you to parents for donating all of the great baking for the sale. Our family is overwhelmed by the efforts made by these teachers, students and parents in supporting the JDRF.

Thank you,  
Chris and Adrienne Harder
