Hanley Seniors

Some things that are planned for Feb...

- On Wednesday the 15th @ 2:00 pm, the card game will be hearts.
- Thursday, Feb. 23rd we will hold our second Whist tournament @ 2:00 pm.
- Sunday, Feb. 26th @ 2.30 pm, come cruise with us thru the Panama Canal. Silver collection at the door.
- Every Tues @ 9.30 the men are playing pool.
- Every Tuesday @ 2:00 pm the ladies gather for an afternoon of crafts. You can bring your own craft and work on it or work on one of the things we are doing. If you don't do crafts you can play games, set a puzzle or just come and have a social time and coffee.

In the last year the centre has been upgraded with 30 new armchairs. The fridge has been replaced and new sinks and toilets have been installed.

There will be new events happening in March. Please watch for posters. Hanley seniors are an active club and welcome all who come.

HANLEY EVENING TOPS

is proud to invite you to
 their **35th Anniversary & Open House**
 on February 15th at 7 P.M.
 Hanley United Church Basement
 Everyone Welcome

Lic. # #2012-02

The Public Health Nurses from Watrous will be offering Fluoride Varnish Clinics in the Dundurn United Church basement on the following dates: March 1st, June 21st, Sept 6th, and Dec 20th. All appointment times are starting at 10:30 a.m. with the last appointment at 2:15 p.m.

Please call the Watrous Public Health Office at 1-877-817-9336 to book your appointment.

What Is Fluoride Varnish?

Fluoride varnish is a protective coating that is painted on a child's teeth to prevent cavities. It can also be painted on teeth that already have cavities. Fluoride can slow down or help stop cavities from getting bigger.

How is Fluoride Varnish Put On?

The varnish is painted onto your child's teeth using a small disposable brush. It takes only a few seconds and is easily accepted by children.

HANLEY FIRE DEPARTMENT LOTTERY

The winners up to date for the fire department lottery are:

- Jan 7: Darren Grindheim \$19
- Jan 14: Les Kroeger \$19
- Jan 21: Pat Bona \$22
- Jan 28: Helen Dyck (Carrot River) \$22
- Feb 4: Nick Patkau \$35

The lottery has grown in numbers every week, it can be joined at any time, and is going for a great cause that will help every person who lives in, visits, or travels through the area.

Hanley 4-H Beef Club

Hanley 4-H Beef Club would like to invite anyone that enjoys public speaking, to attend our annual speech night to be held Monday February 13 at the Kenaston school gym beginning at 7:00 p.m.

There will be approximately 25 members from the surrounding communities coming out to share their topics with us.

Hope to see you there.

FIREARM SAFETY

A firearm safety class will be taught again this year. Please phone Darryl Libke at 544-2779 if you are interested.

NOTES FROM THE TOWN OFFICE

Animal licenses – The deadline has passed to purchase animal licenses which are due at the beginning of each year. A list of last year's tags will be presented to the Animal Control Officer so she can begin sending warnings to people that have not yet purchased licenses for 2012. Please phone the town office if you no longer have an animal.

2011 in review

A number of capital projects were undertaken in 2011:

- Some sidewalks were replaced at a total cost of \$18,663.60. New Deal Gas Tax funding in the amount of \$10,000 was used towards this project. The council has a 5 year plan to target \$10,000 per year towards sidewalks. 2011 reflected 2 years' worth of the 5 year plan.
- New computers were purchased in the amount of \$3877.66. There is a new operating software that will be upgraded in March of 2012 and the old computers would not have handled the new software.
- The pavement on the 100 Block of Lincoln and intersection of Lincoln St. and 1st St. cost \$80,450.33. The remainder of Lincoln St. to 4th St. will be done in July of 2012.
- There were a number of roads repaired throughout Town due to excessive moisture over the last couple of years. That total came in at \$71,527.74. We should be getting around \$62,500 in Provincial Disaster Assistance to help pay for that cost and hopefully will be approved for more repairs in 2012. Huge thanks to the crew that voluntarily worked on the roads. Without them, it would have cost much more. A weight restriction bylaw was enacted to help prevent further damage to all the streets and especially Lincoln St.
- The Kenaston Department of Highways applied seal coating to the highway access road and continued on to the edge of the new pavement on Lincoln St. They are not responsible for work on Lincoln St. but the council has developed a good working relationship with that department so it's great that they have taken the time to do maintenance work for us.
- One fire hydrant was replaced at the corner of 2nd St. and 2nd Ave. This was at a cost of \$6,753.05.
- The Dundurn Rural Water Utility pipeline water was turned on Dec. 8. The Town has been making interim payments on this project for a couple of years with a long-term loan. So far, \$1,000,000 in payments has been made with a final payment to be made shortly.
- A retaining wall was built at the transfer station for a cost of \$5,754.85 which was paid entirely with New Deal Gas Tax Funding.

The council has been very aggressive with the clean-up of private property over the last couple of years and encourages each property owner to keep their property in good repair and hedges trimmed back from sidewalks. The council has received many compliments on how tidy the Town in general looks!

A Building Official was appointed in January, 2011. Each municipality should appoint a building official as the municipality could be held liable for negligence in the courts if construction occurs without being inspected by a licensed building official. The Town continues to see growth and development with new housing and construction. 12 residential building permits were issued at a value of \$507,710.

The Town received funding through Saskatchewan Watershed Authority to have the drainage ditch and culverts through the Town cleared of snow in the spring of 2011 to ease the flow of water through Town to reduce flooding in basements.

In December, the Town Council received notice from the Public Works Foreman that he had been offered a new position with the Dundurn Rural Water Utility as a Water Operator. Terry has been a dedicated employee for the community for 8 ½ years and the council thanks him very much for that with best wishes on his new employment.

We would like to welcome Ben Collins, who is our new Public Works Foreman. He is scheduled to begin work on February 20.

A big bouquet to residents of Hanley

Thank you to everyone who has notified the town of street lights that are not working. If you have the time to get the marking tape from the office to tie on the pole, we would appreciate it and we will notify Sask Power.

Also thanks to anyone who notices problems that the town should be made aware of and letting us know. Water main breaks or streets signs that are down are a good examples.

The sooner we know the sooner we can get the problem fixed.

Recycling

The Town will be replacing the existing recycle bins with '**Blue Bins**' that will offer a co-mingled service.

At the present time LORASS is unable to supply blue bins so they have allowed us to use the 'green' bins as if they were '**blue bins**'. That means no sorting and all **approved** recyclables can be placed together in the green bins.

“Pre-School Receives Donation from Affinity Credit Union.”

Ivan Carpenter on behalf of Affinity Credit Union presents Hanley Preschool President Beverly Bohrson & Preschool Teacher Shannon Soshyski with a \$1500 donation.

The Hanley Pre-school continues to prepare our young children for an easy integration into formal education system. We currently have 20 three and four year olds enrolled, attending two days per week. Thanks to the Hanley Lutheran Church for use of your facility for the 4 year olds on Tuesday and Thursday mornings, and the three year olds on Tuesday and Thursday afternoons.

We are very appreciative of the support we receive from the community through all our fundraising projects. A special thank you goes out to the Affinity Credit Union for their donation of \$1500. All enrolment fees, donations and fundraising profits guarantee that we will be able to provide up-to-date materials for the children, including language learning material for two students whose first language is not English. As well, we are able to provide all students with *Handwriting Without Tears*, a progressive workbook preparing children for Kindergarten activities. With the large number of students enrolled this year, it was necessary to provide our teacher, Mrs. Soshyski, with a reliable assistant, so Mrs. Weisbrod has been serving this role. We are very proud of our preschool program and what it provides for our young children.

Babysitting Course

March 2012

Must be 11 yrs or older to take

Cost \$55.00
