## **HANLEY AG FAIR**

The Hanley Agricultural Fair was held on Friday August 27<sup>th</sup> and Saturday August 28<sup>th</sup> at the Hanley Sports grounds. The fair was the first one since Hanley's Homecoming in 2005. The fair was hosted and organized by the Hanley Agricultural Society.

The fair was kicked off on Friday Night by a Hanley Merchants Reunion Game that was played by Merchants past and present. There was a huge crowd support for the game with over 100 people in attendance. There was a beer gardens that was followed up by an evening of Karaoke singing in the Prairie Palace located at the sports grounds. The karaoke was provided by Colleen Carr. There were many singers that showcased their talents throughout the night, which continued on till early hours of the morning!

Saturday morning was started bright and early with a Pancake breakfast hosted by the Hanley Ag Society, in which pancakes and ham was served to a hungry crowd of approximately 125 people. The slow-pitch tournament fired up at 9:30am with 10 teams entered and was played all day long. The final four teams were 1<sup>st</sup> –The Fat Kids, 2<sup>nd</sup>- Mound Pounders, 3<sup>rd</sup> – Barrington Bears, 4<sup>th</sup> – Amanda Anderson's Team. All teams put forth a great effort and all games were played with great sportsmanship. The bike parade was a huge success, as well, having over 28 kids entered with their bikes, strollers, wagons and mini quads of all kinds decorated. They took a tour around the ball field to display their works of art. First place was awarded to Hunter Matycio. Great job Hunter! Madison Prosofsky and Kennedy Dietz set up a face painting station that was a very popular spot for the young ones, resulting in some fantastic looking bugs and animals and flowers that decorated the young ones' faces! Brenda from Dundurn brought a whole array of animals in for the petting zoo, which the kids young and old enjoyed! There were rabbits, snakes, a miniature horse, momma goat with her twin babies, potbellied pig, chickens and chicks and a miniature pincher puppy. The kids were able to be in and interact with the animals which displayed wonderful temperaments while letting the children feed and handle them. The money pit filled with coins and toys was a constant construction site for the kids as well, keeping them all occupied and their pockets full of treat money!! The beer gardens were open all day long and a delicious beef on a bun dinner was served by the culture club who was in charge of the concession booth for the weekend. The evening entertainment was provided by a local DJ named Patrick who owns and operates Partie Sound DJ Services out of Saskatoon. He kept the crowd going all night! There were over 320 people that came through the gates on Saturday to enjoy the festivities. A special thanks goes out to David and Susan Prosofsky, SASSE, Wildlife Federation, Trailbreak Services, Hanley Rec Hockey Team, Town of Hanley, Thall's Service, Hanley Elks, Ron and Cindy Townsend, and all the volunteers that helped out with preparations and operations to make our first Fair a huge success. The Hanley Fair will be held again next year on June 24<sup>th</sup> and June 25<sup>th</sup> so mark it on the calendar as an event you don't want to miss!! Anyone with any ideas for next year's fair, please contact a member of the Hanley Agricultural Society. Patti Prosofsky, Bekki Gurski, Jackie Loberg, Andrea Townsend.

## ***NOTES FROM TOWN COUNCIL***

It has come to our attention that with all the new people in town, they are unaware of what to do or who to call in an emergency (that we can handle) such as a sewer backup. We are working on a phone system to address this and will let everyone know what we've come up with.

Remember to give your e-mail address to the Town Office if there is an instance where, if we need to get in touch with a group of people, we can e-mail you the information.

Thanks to all the pet owners for being responsible and purchasing your licenses! Remember that these are valid for the year January to December and 2011 licenses will be due February 1!

We have already received the loan for the water pipeline project. More information will be available at the Public Meeting Oct. 26 @ 7:00 p.m. in the Centennial Hall.

Sidewalks – Our sidewalk project did not get done this year because of the contractor being too far behind with the weather. If we could get some good working days, maybe the project can still go ahead.

The council has obtained prices to do upgrades to the pavement on portions of Lincoln St. and especially the intersection of Lincoln St. and First St. We are planning to have this project proceed in 2011.

*Library news*

A new library computer system will be installed at the library on September 28<sup>th</sup>. The new SILS system will allow you to order books from anywhere in the province and have them shipped to the Hanley Library for free. You will be able to do this from your own home computer as well as the librarian. The site is [www.wheatland.sk.ca](http://www.wheatland.sk.ca). Also you will now be able to create a list that shows all the books you have read since the new SILS system has been installed. You just need to turn the list on from your home computer; the library does not have access to this as it is a privacy issue. The most important thing residents need to remember is that library patrons will not be able to take out material from the library without their library card, so you'll need to carry this with you whenever coming to the library.

We are holding a draw for a \$25 Tim Hortons gift card. All you need to do to enter is dig out that library card and bring it into the library starting on September 28<sup>th</sup>. The draw will be held on October 28<sup>th</sup> so start looking!

Next month the library will be holding their annual fundraiser of selling red greenhouse poinsettias. The poinsettias cost \$18 each and will be delivered to the library the first week of December. If you have purchased a plant in the past you will be contacted. If you would like to purchase plants please call the library during open hours at 544-2546 or contact Ann Rogers at 544-2474. This is our only fundraiser and we really appreciate your patronage.
