FIRE PROTECTION **SAFETY TIPS FOR THE HOME**

LIVING ROOM:

- Fireplace: always use a fire screen, ensuring it is the appropriate size for the fireplace opening.
- Power bars should not be used to overload electrical outlets. Do not use extension cords in the place of additional outlets.
- Smokers should check furniture for fallen cigarettes or embers, which can smoulder undetected for hour before bursting into flames.
- Ensure careful use of smoking materials and extinguish in water before disposal.
- Never leave cigarettes in an ashtray unattended.
- Use ashtrays with a double rim and deep centre.
- Keep matches, lighters and lit candles out of the reach of children.

BASEMENT AND ATTIC:

- Do not store gasoline in basements or attics! Store gasoline in well-ventilated areas, preferably outdoors.
- Do not store propane indoors.
- Use only approved containers to store and transport gasoline.
- Have a thorough yearly maintenance check of the furnace carried out by a professional.
- When replacing an old furnace, consult a professional to determine the most safe, economical and efficient system for your home.
- Chimneys should be cleaned at least once a year.

ANIMAL CONTROL

Remember to purchase your dog and cat licenses for 2017 prior to Feb. 1 for \$25 each animal! Our bylaw states that “every owner of a cat or dog that is over 4 months old shall, within 30 days of becoming the owner, obtain a license for each cat or dog.” The owner of the cat or dog shall ensure that the animal wears a collar to which the tag shall be attached whenever the animal is off the premises of the owner.

The licenses expire Dec. 31 of the year purchased. We are unable to identify microchips, therefore the tag is necessary but the microchip information must be provided to the Town Office prior to Feb. 1 along with the annual license fee.

Kennel permits for breeders are \$100 per year (Jan. 1 to Dec. 31) and also must be purchased prior to Feb. 1.

Melanie Chasmar

“WITH LOVE, FROM IRAQ”, by Maureen Haddock is proof that love conquers all. Maysoon and Wajid are a true inspiration to Newcomers and born/bred Canadians alike.

Their story had me captivated and in tears (both in pure sadness and heartfelt joy) from the second I opened the book until the very last word. This story of heartache, betrayal, resilience and determination will have you taking a closer look at your own life, as it did me. Too often, we take simple things like running water and a warm bed for granted, until we are forced to see the world through the eyes of people such as Maysoon and Wajid.

Maureen Haddock did an AMAZING job of telling their story with the care of one who truly believes in the power of the written word and you can really see the love that she has developed for this wonderful couple throughout the years they have known each other. I HIGHLY recommend this book to everyone and anyone who is looking for an extremely powerful and life changing story.”

Thank-You, Tammy
