Cindy Prosofsky
For Town Council

I have lived in Hanley for 25 years, and I am married to Curtis Prosofsky. We have four children Conor, Mercedes, Colby and Shelby.

Curtis and I owned and operated the Hawarden Hotel until we started our family. With kids growing up in a small town brings being involved. I was the Hanley Preschool Teacher, and later on involved with the preschool board. Our boys were involved with hockey with Hanley and surrounding communities. With the changing of climate and the late season or short season that happens in our arena got me involved in organizing the "Artificial Ice Project". I am very proud of our group of what we were able to do and purchased the plant in 2019.

I have been a Water Safety Instructor for 32 years and have been giving lessons in our community for 20years. With being in the first aid field I am currently involved with the Hanley Volunteer Fire Department as a First Responder and have been for several years, I am currently employed with the SunWest School Division as an Educational Assistant in Kenaston School.

I believe we all need to do our part and take an active role in shaping our community now and for future generations. That is why I have put my name in for Hanley Town Council. I would be proud and honoured to act for you. Please consider voting for me.
